“if freedom depends on

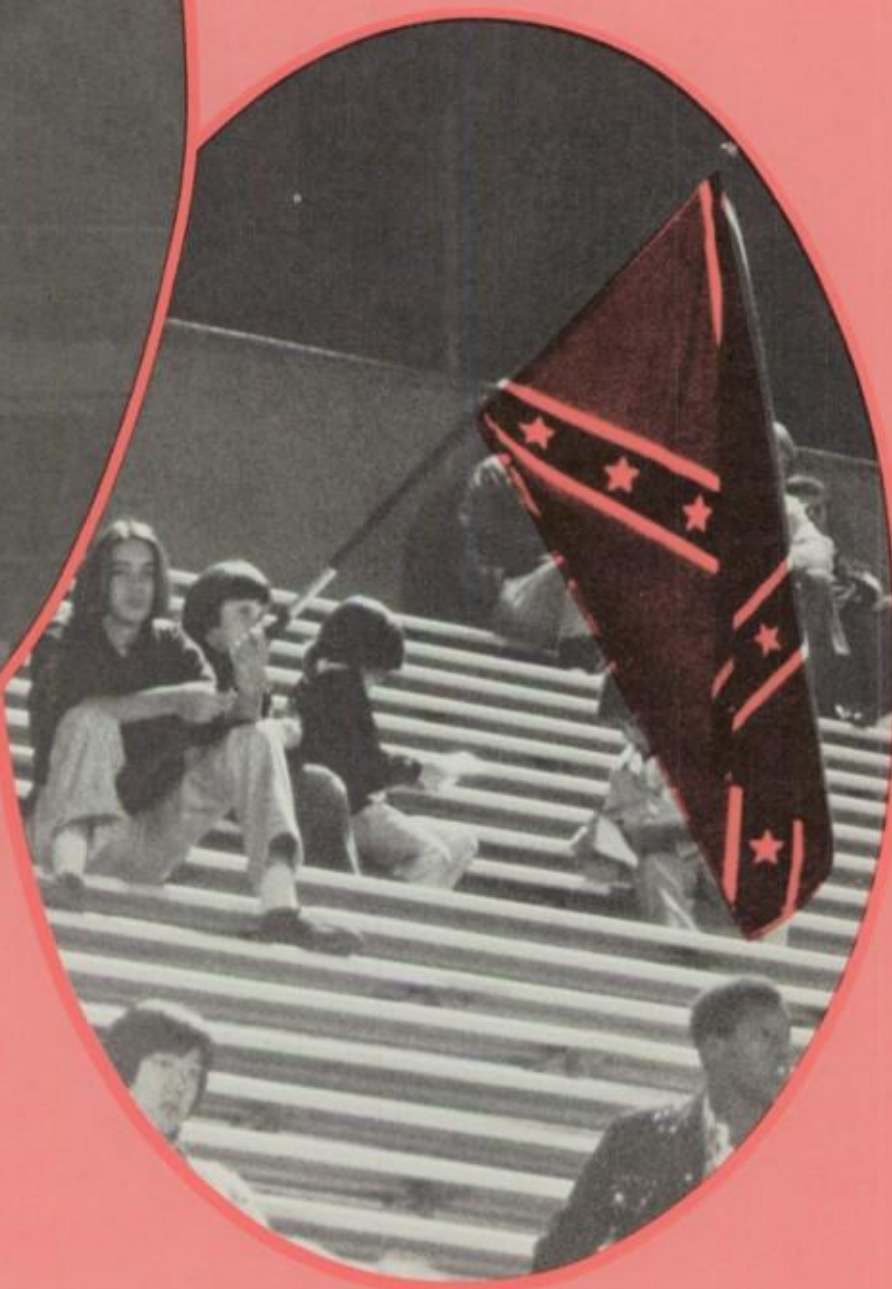

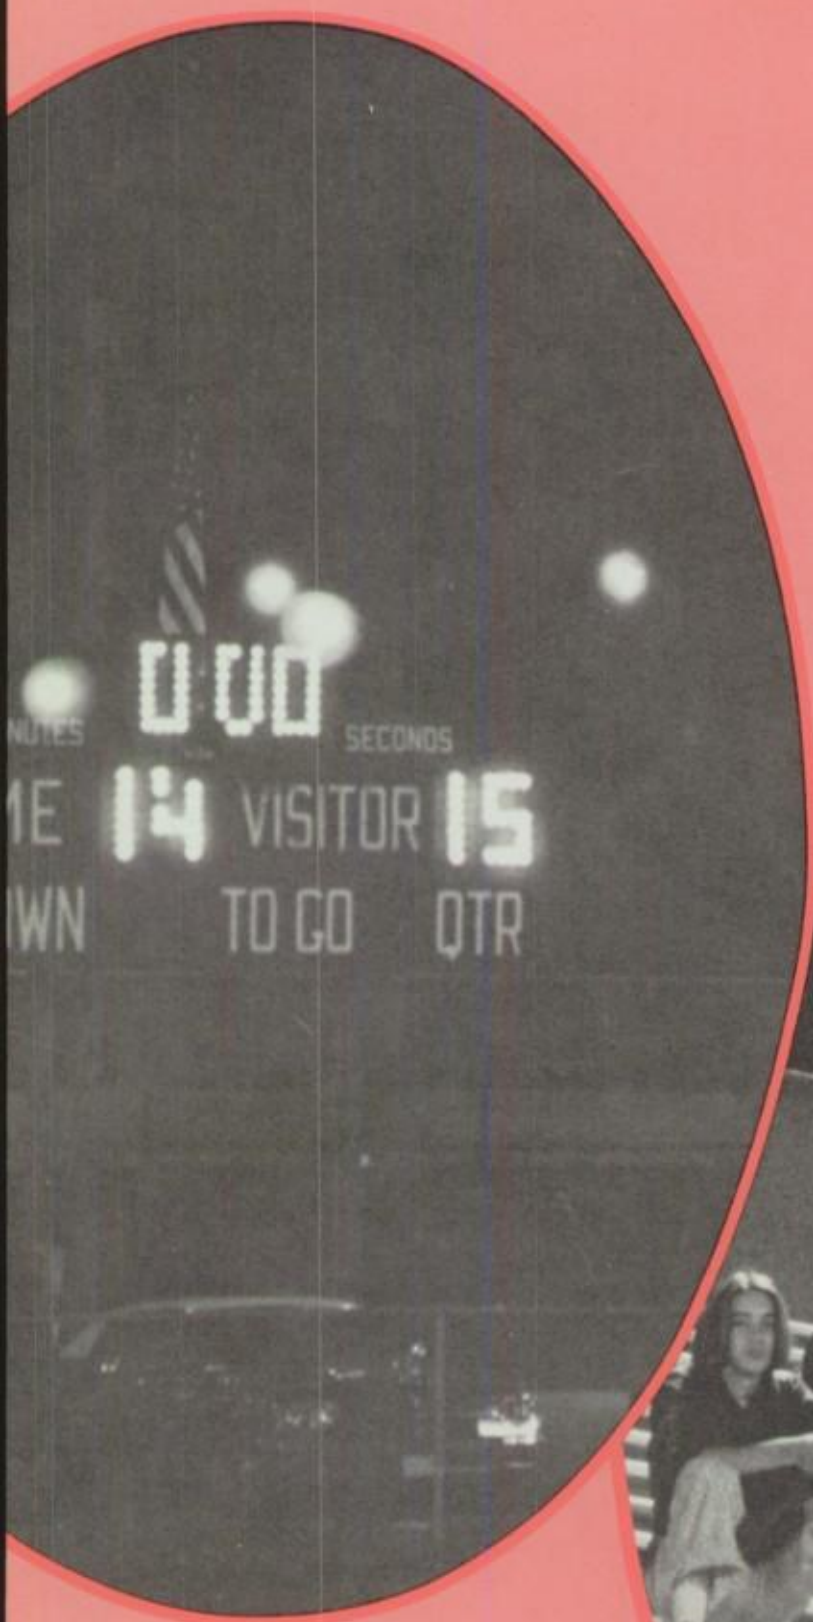

things like space and time

then when we finally

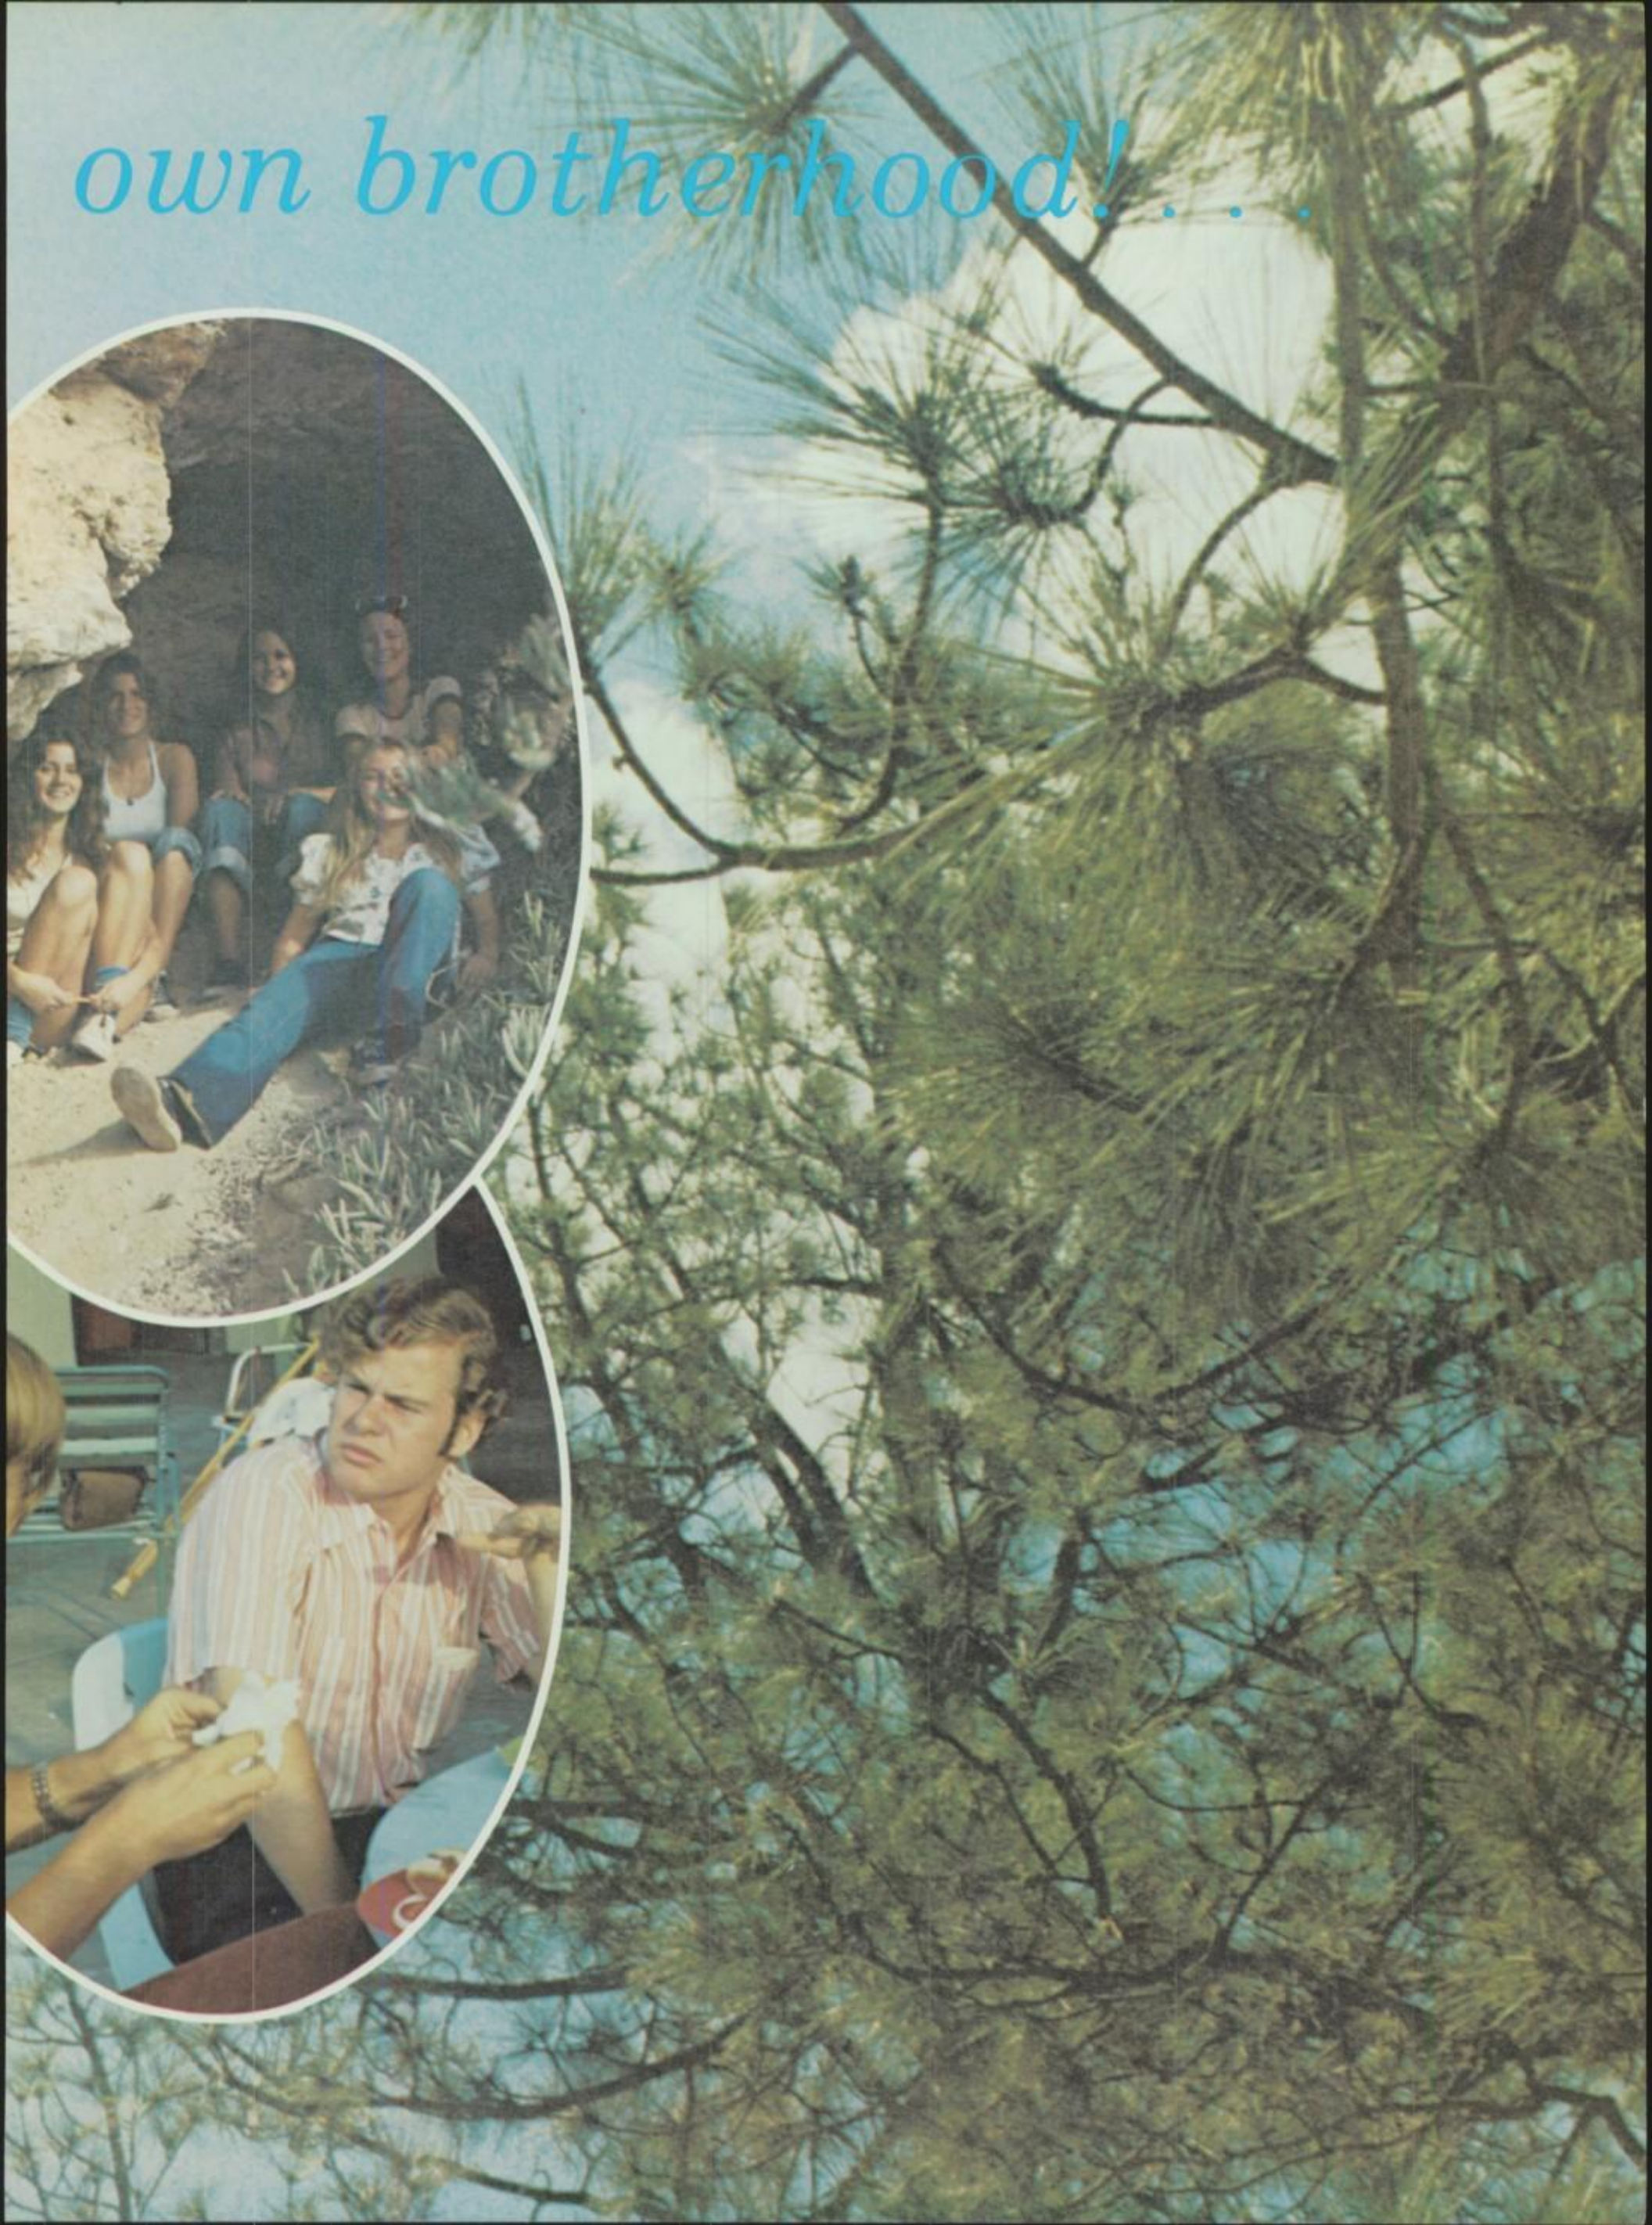

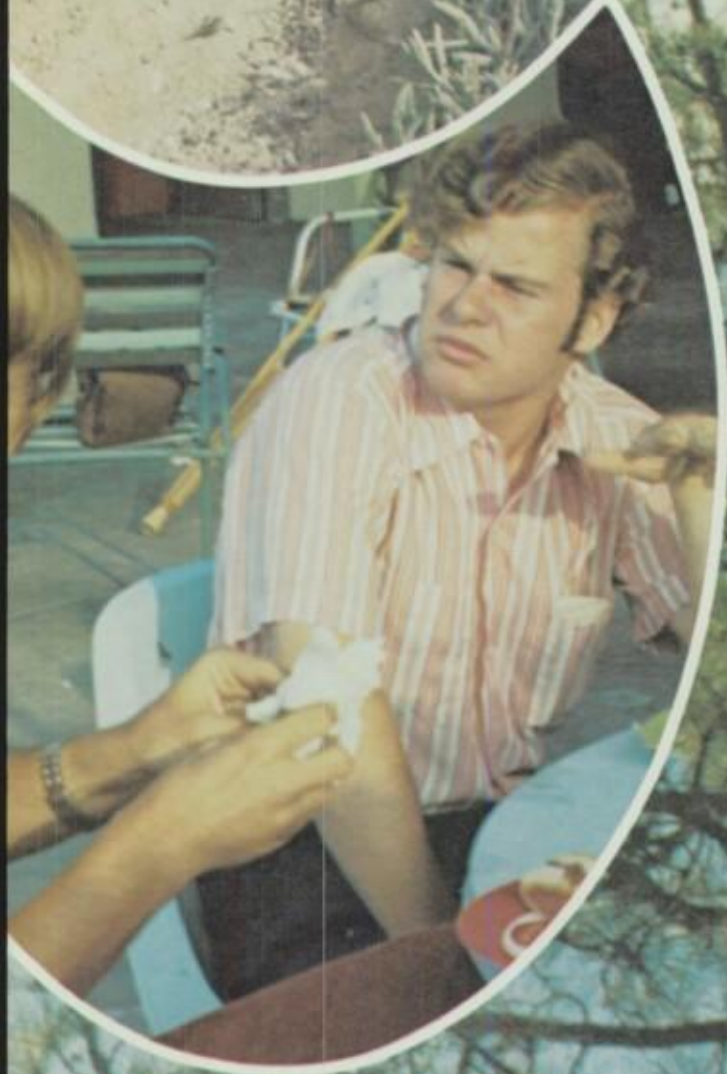

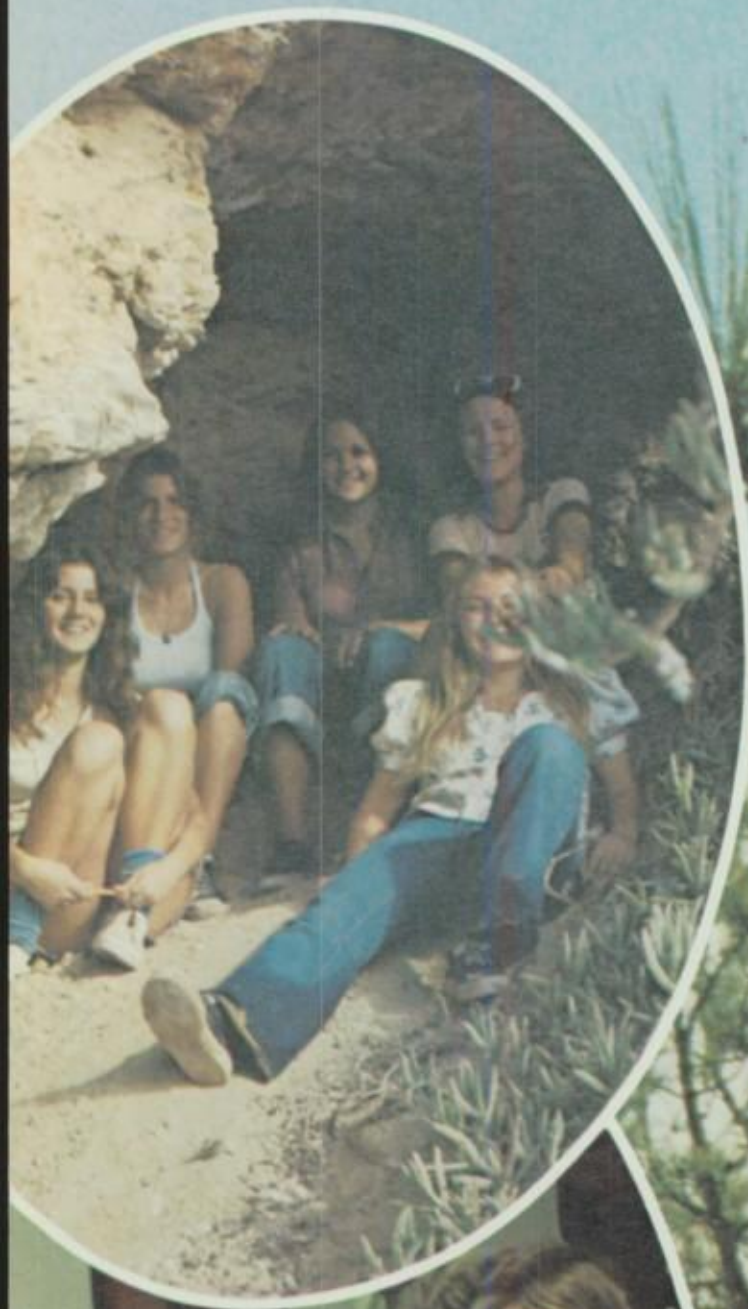

overcome space and time

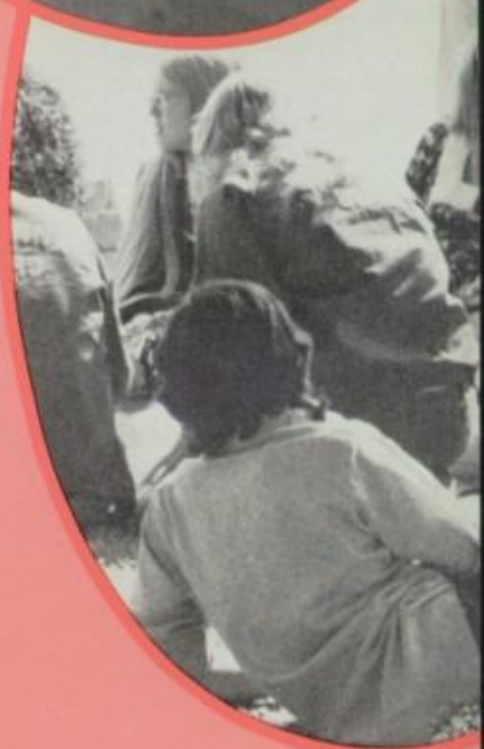

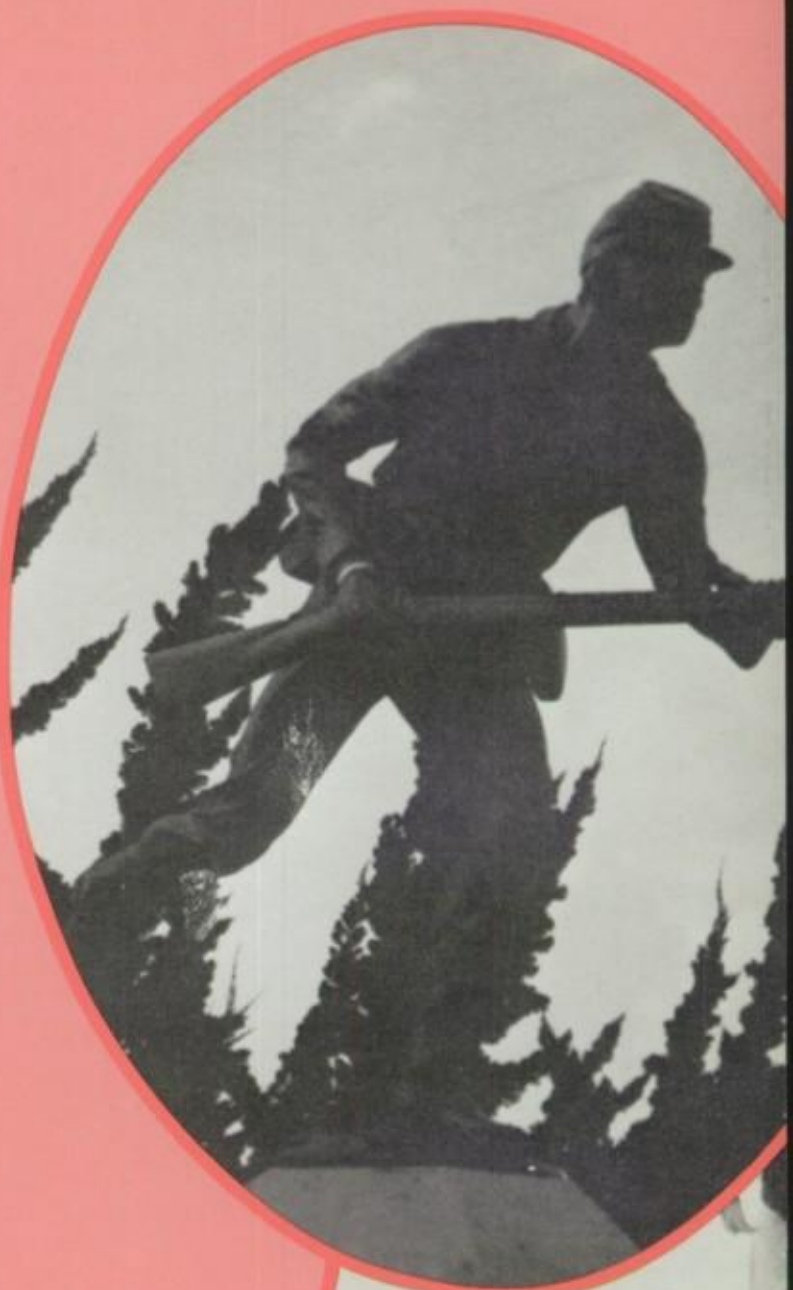

we've destroyed our

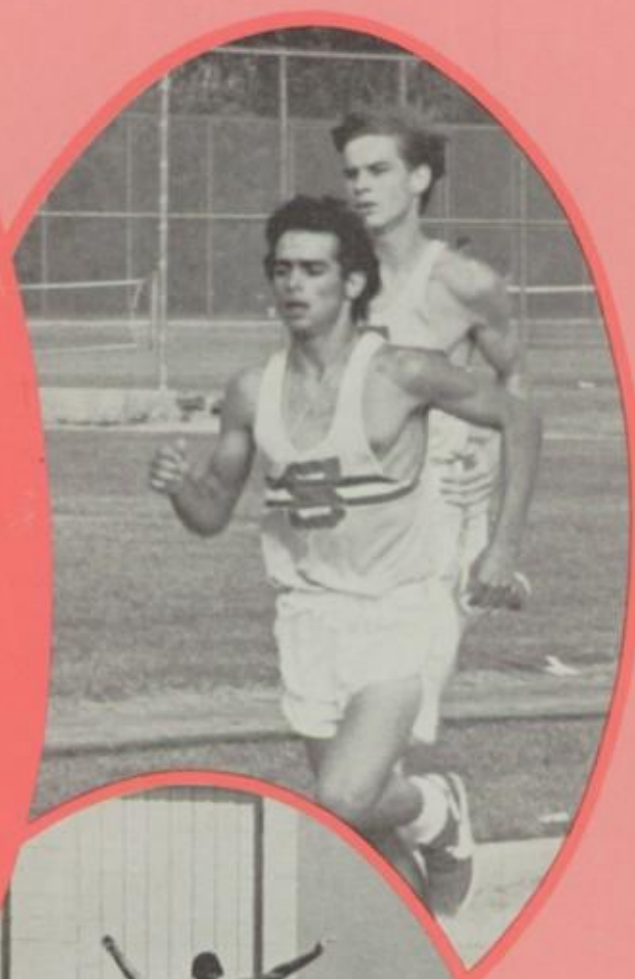

own brotherhood! . . .

but overcome space and

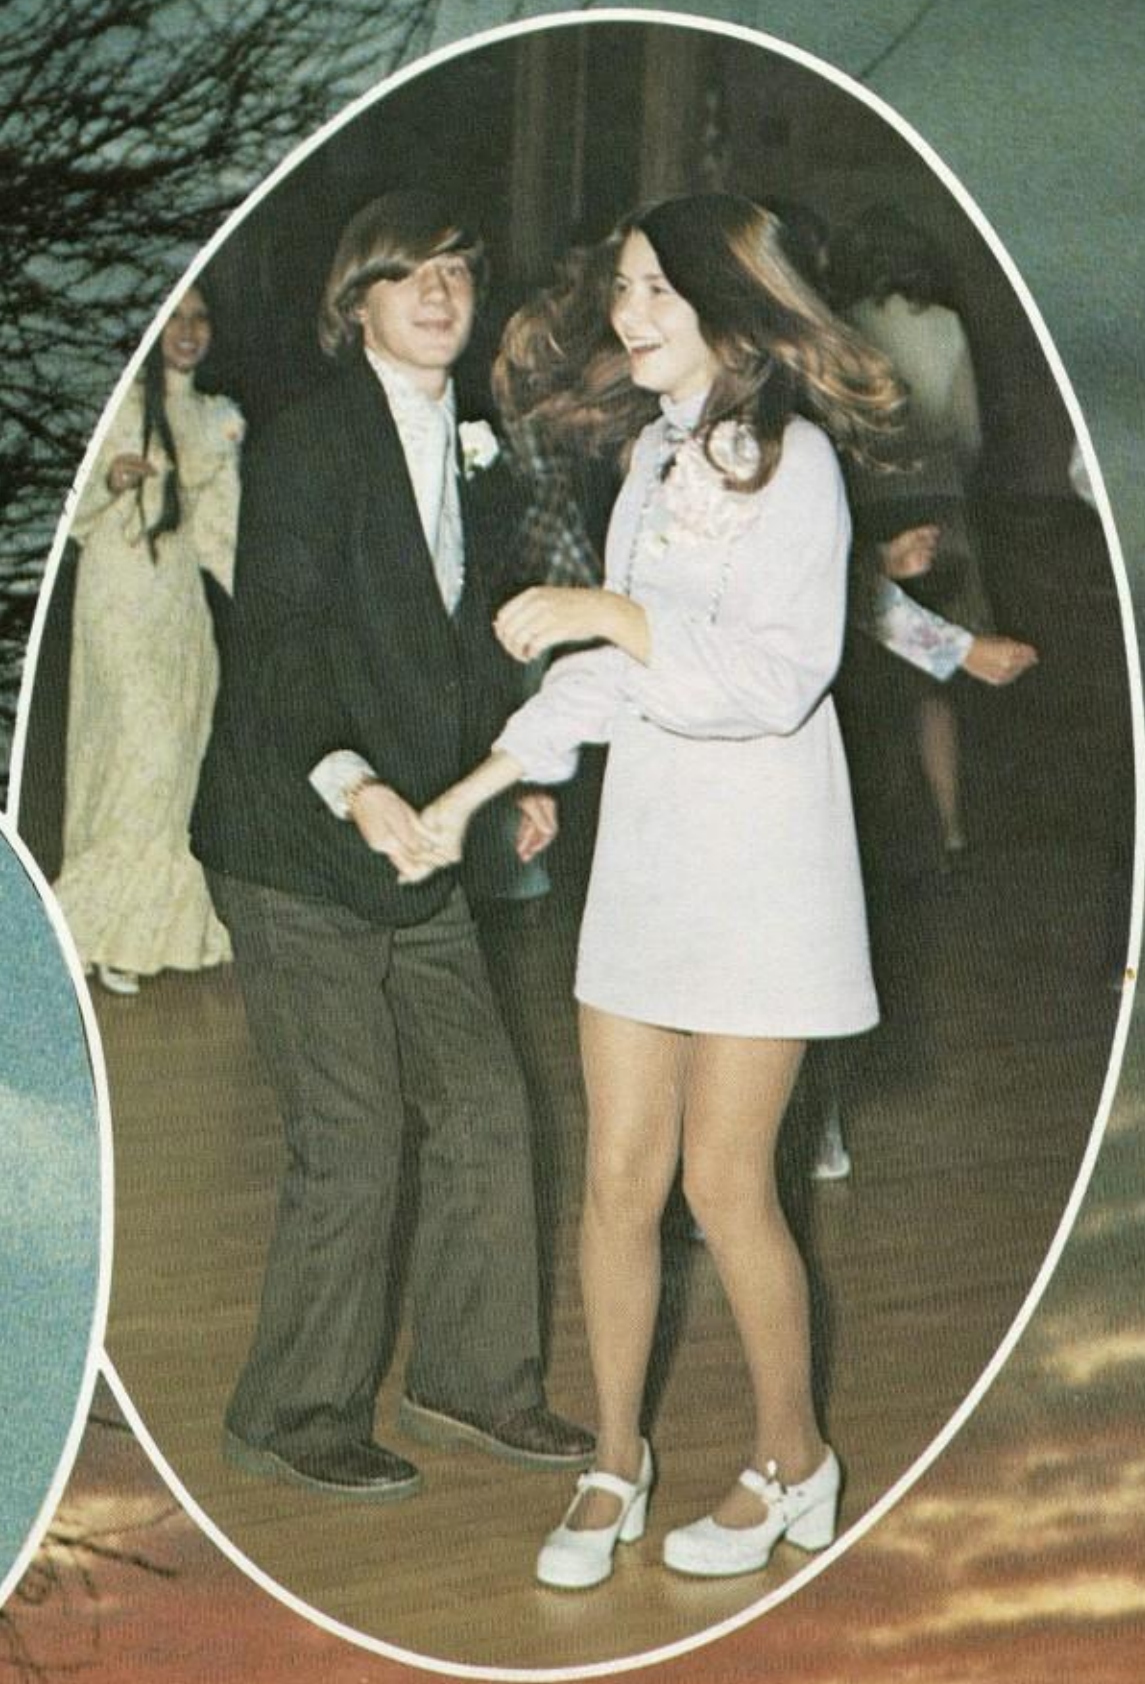

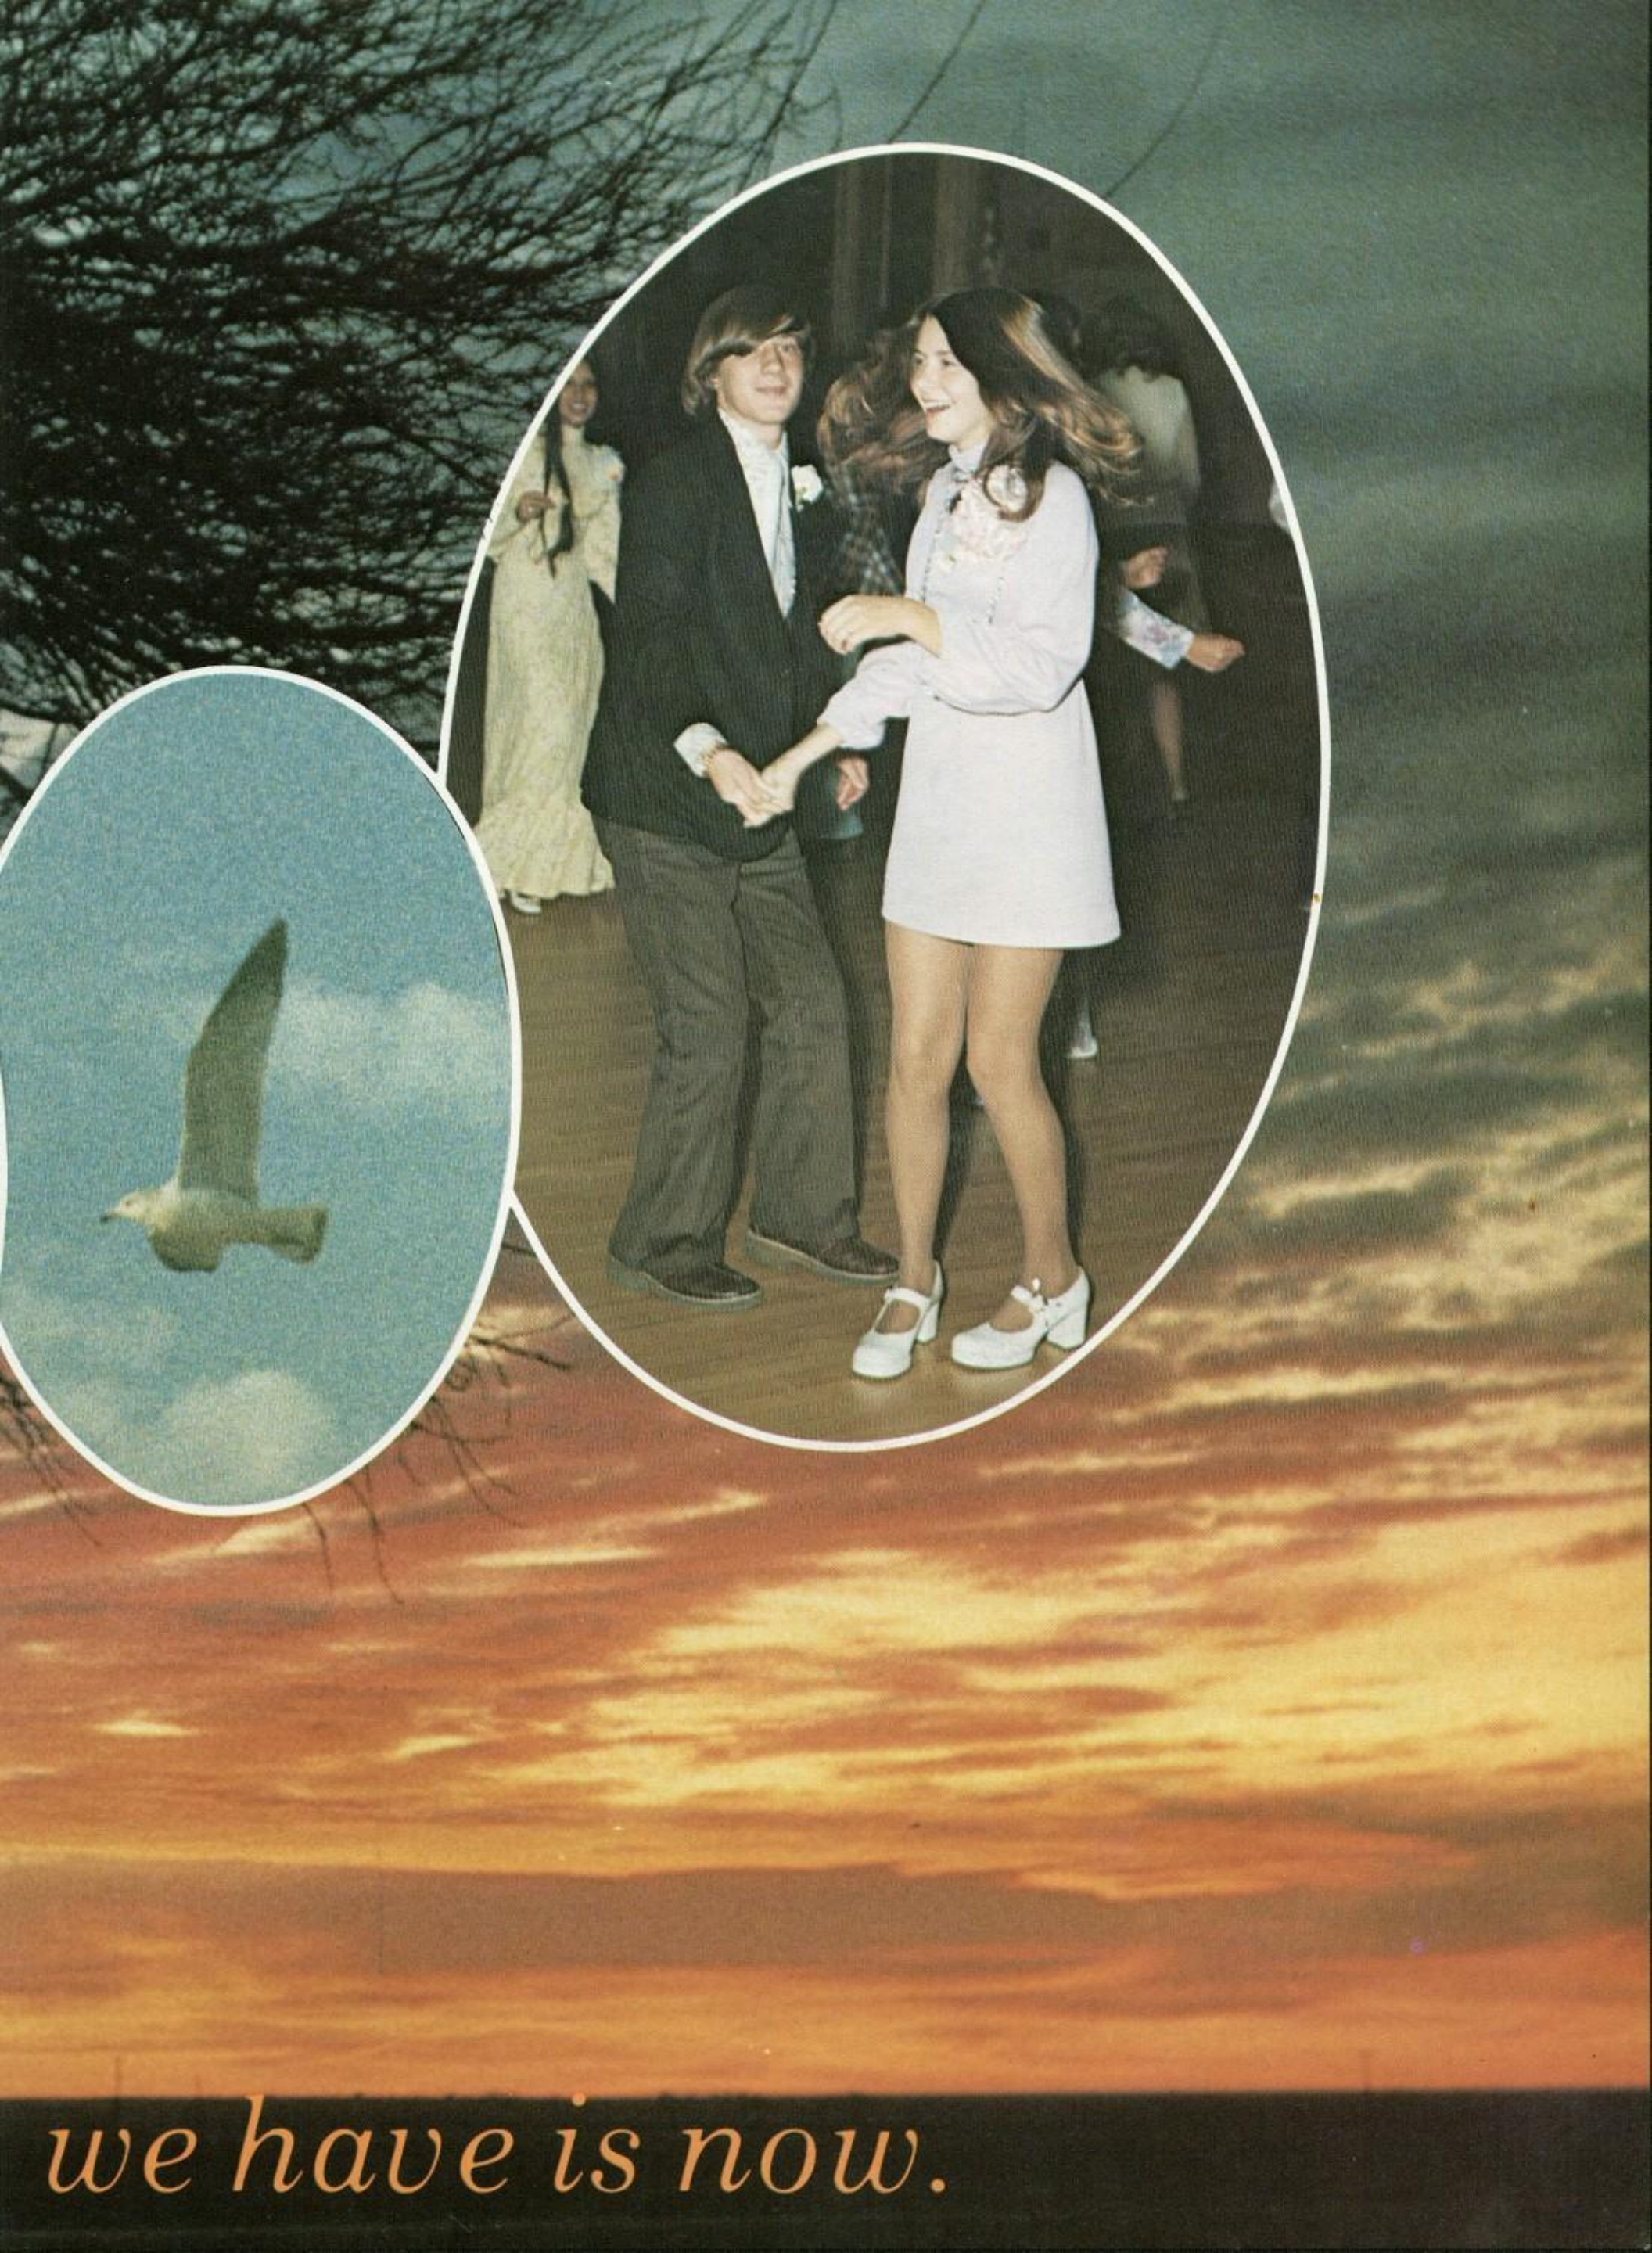

all we have is here . . .

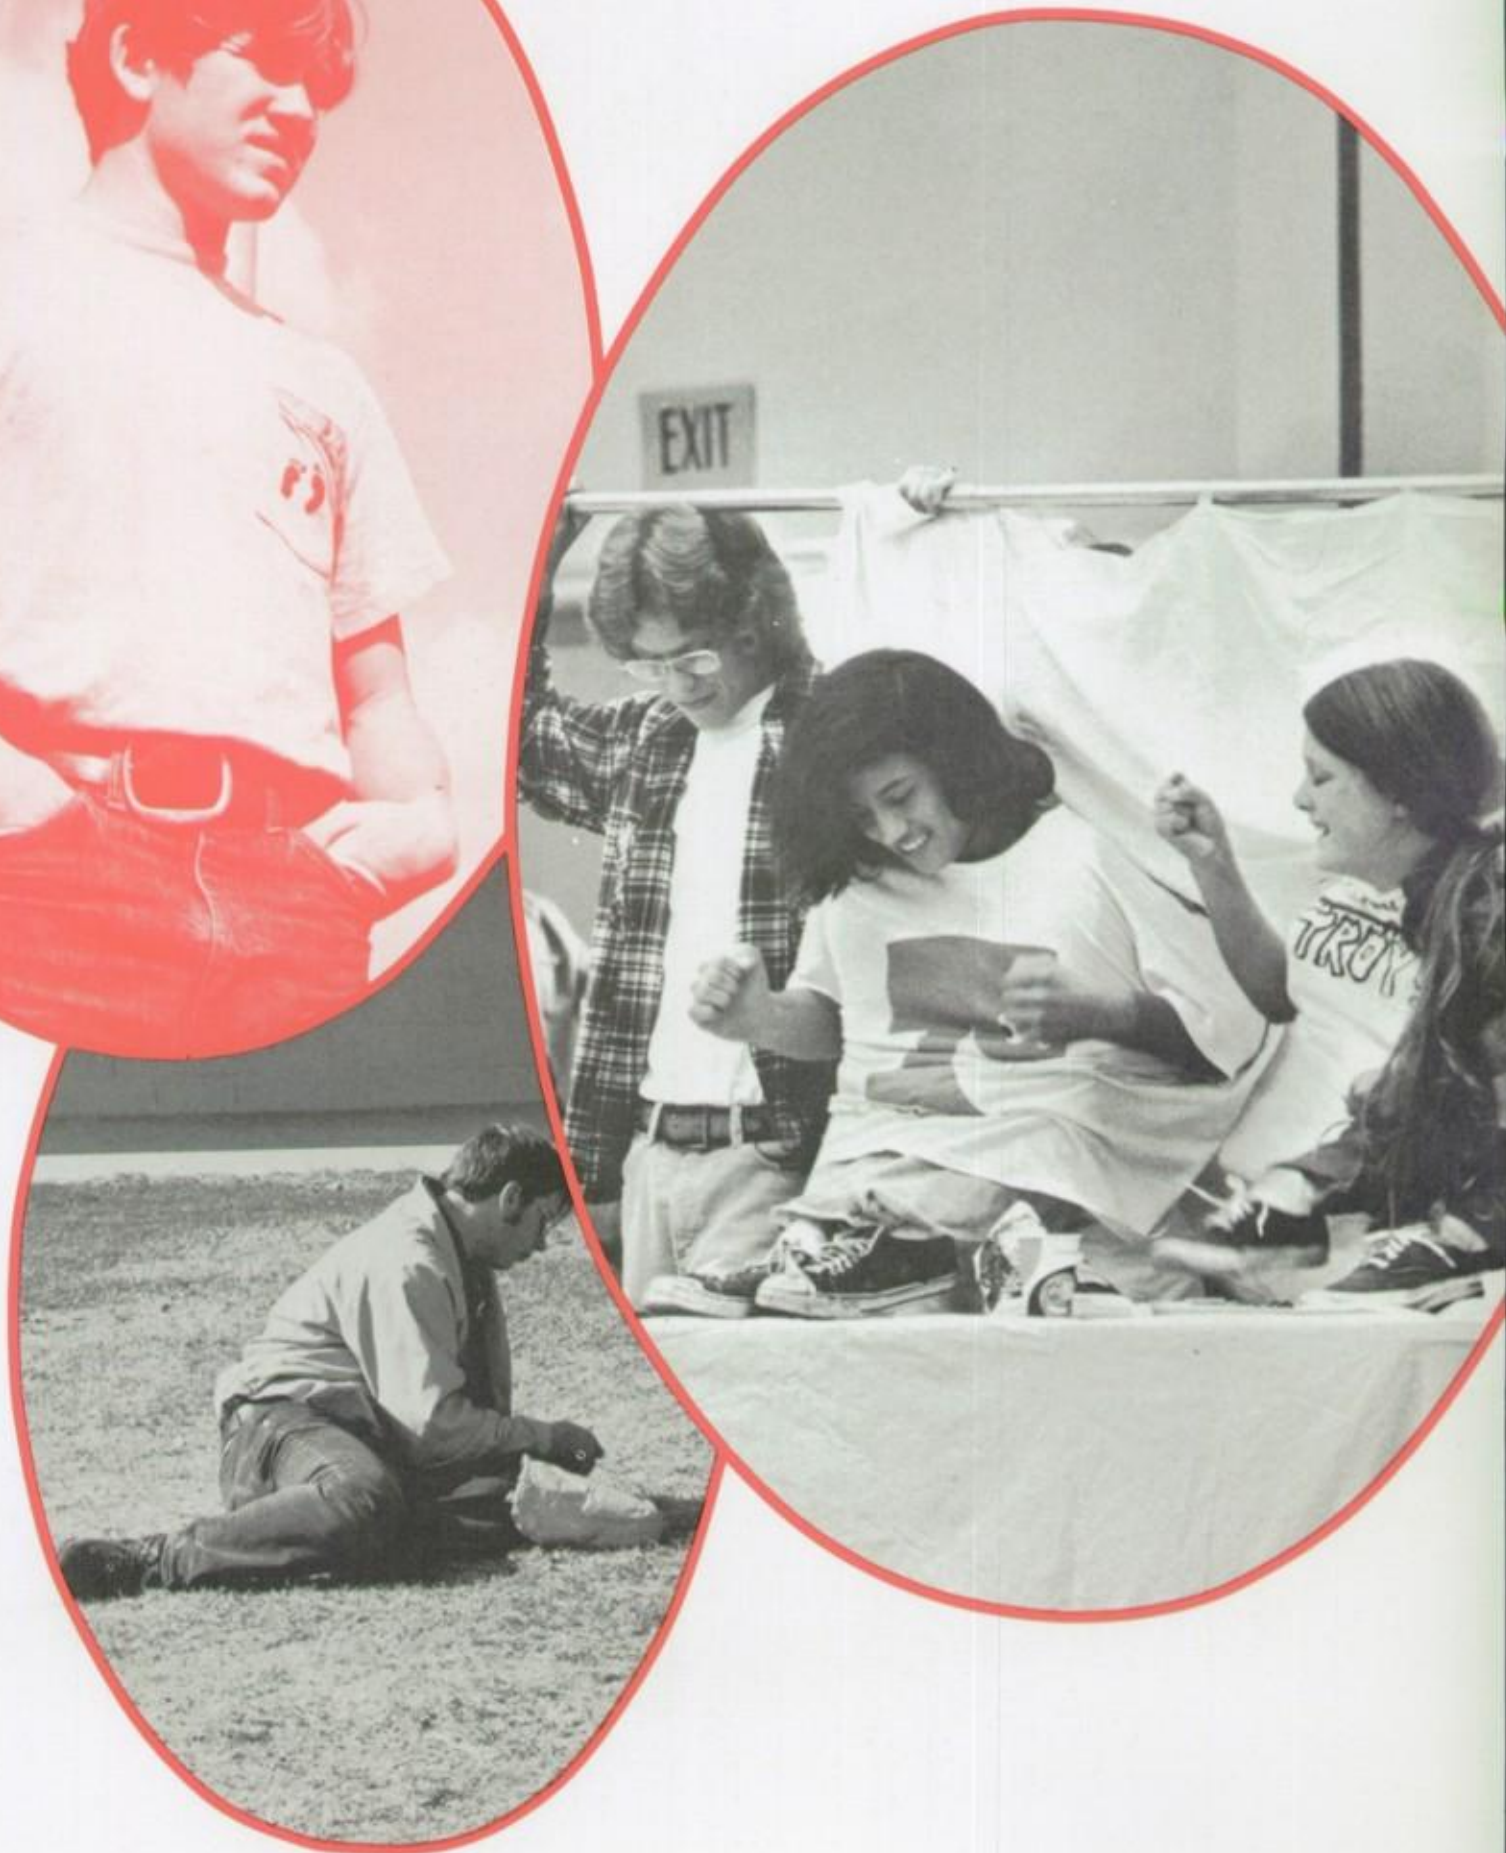

overcome time and all

we have is now.

and in the middle

of here and now . . .

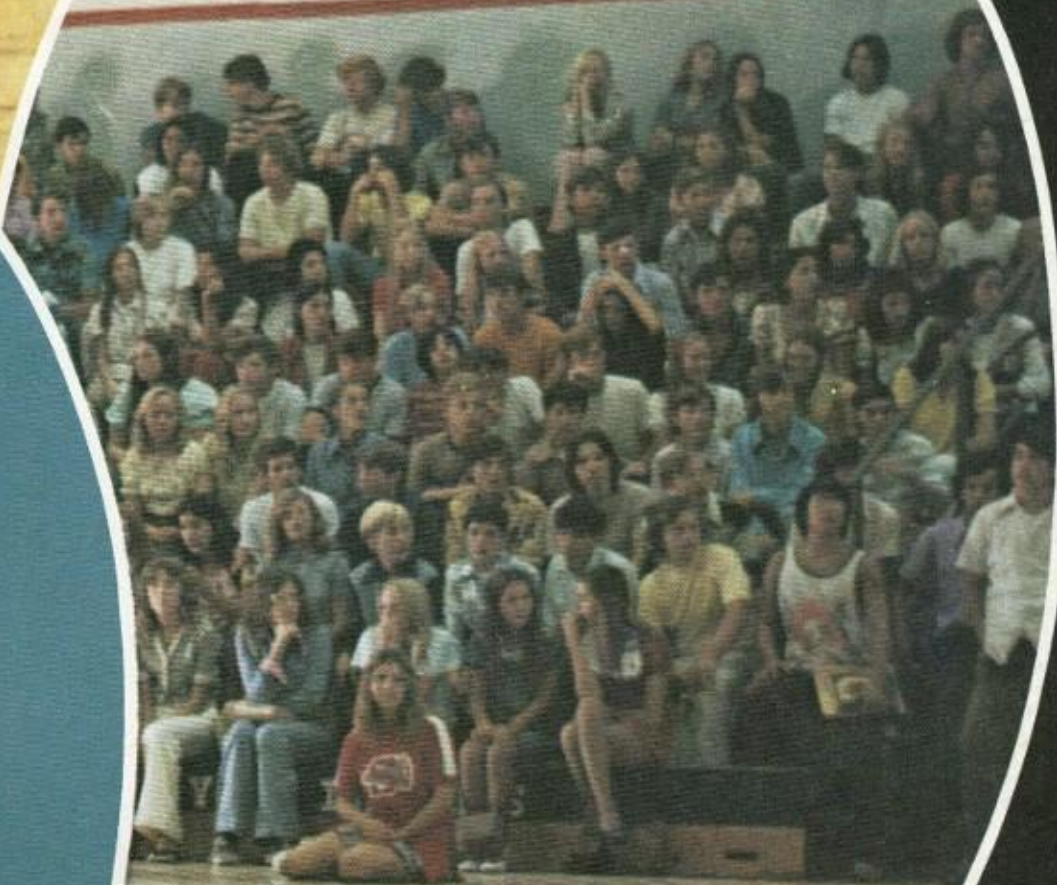

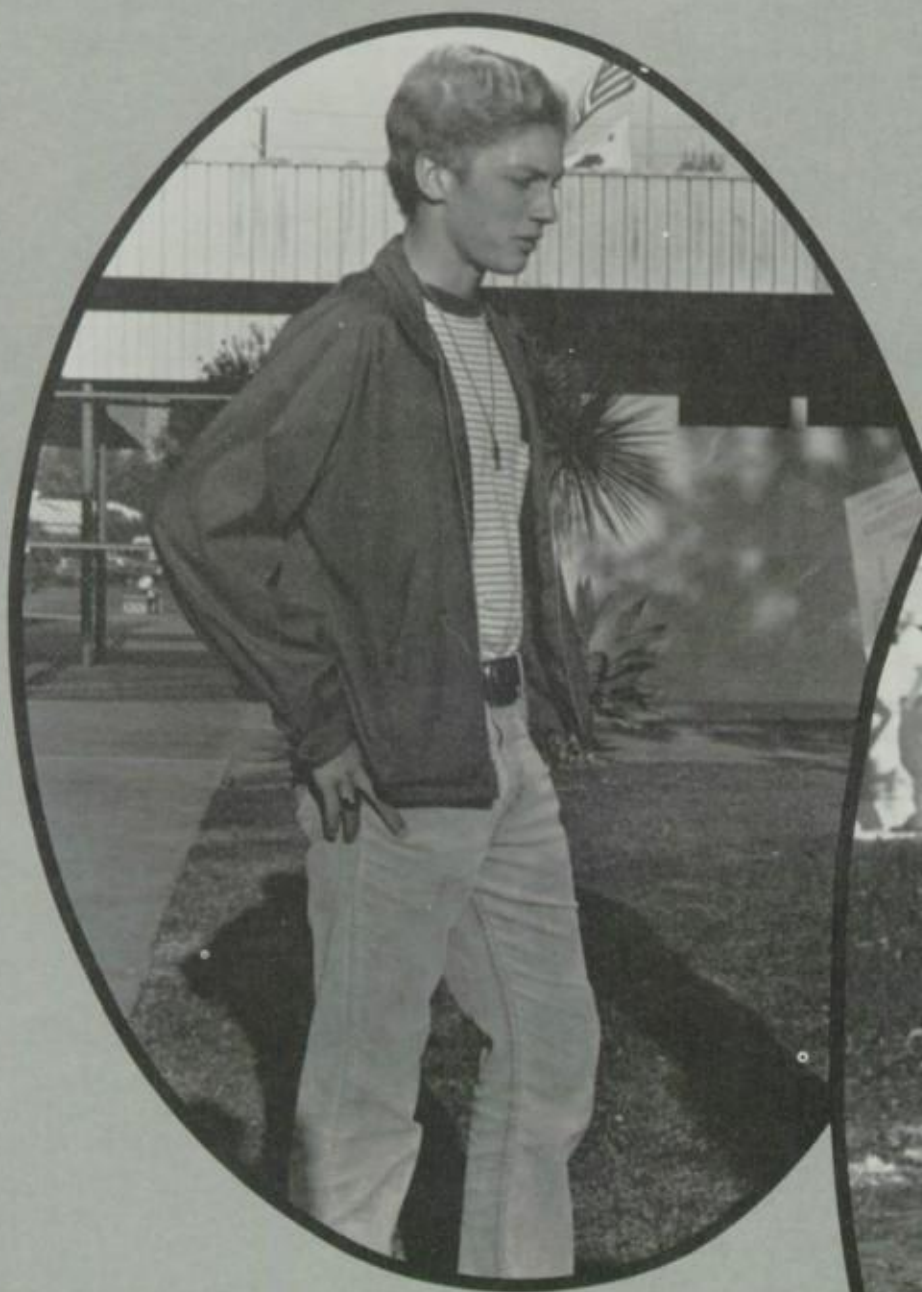

*don't you think
we might see
each other
once or twice? ”*

JUNIORS

Juniors Show Leadership

The Junior Class started out the school year with many fund raising activities such as a car wash, bake sale and many others.

The main goal the Junior Class accomplished was putting on a great Junior and Senior Prom and still having money left over for their Senior year.

The advisors for the Junior Class were Mr. Maib and Miss Brown.

Capable Officers Lead Sophomore Class Through Successful Year

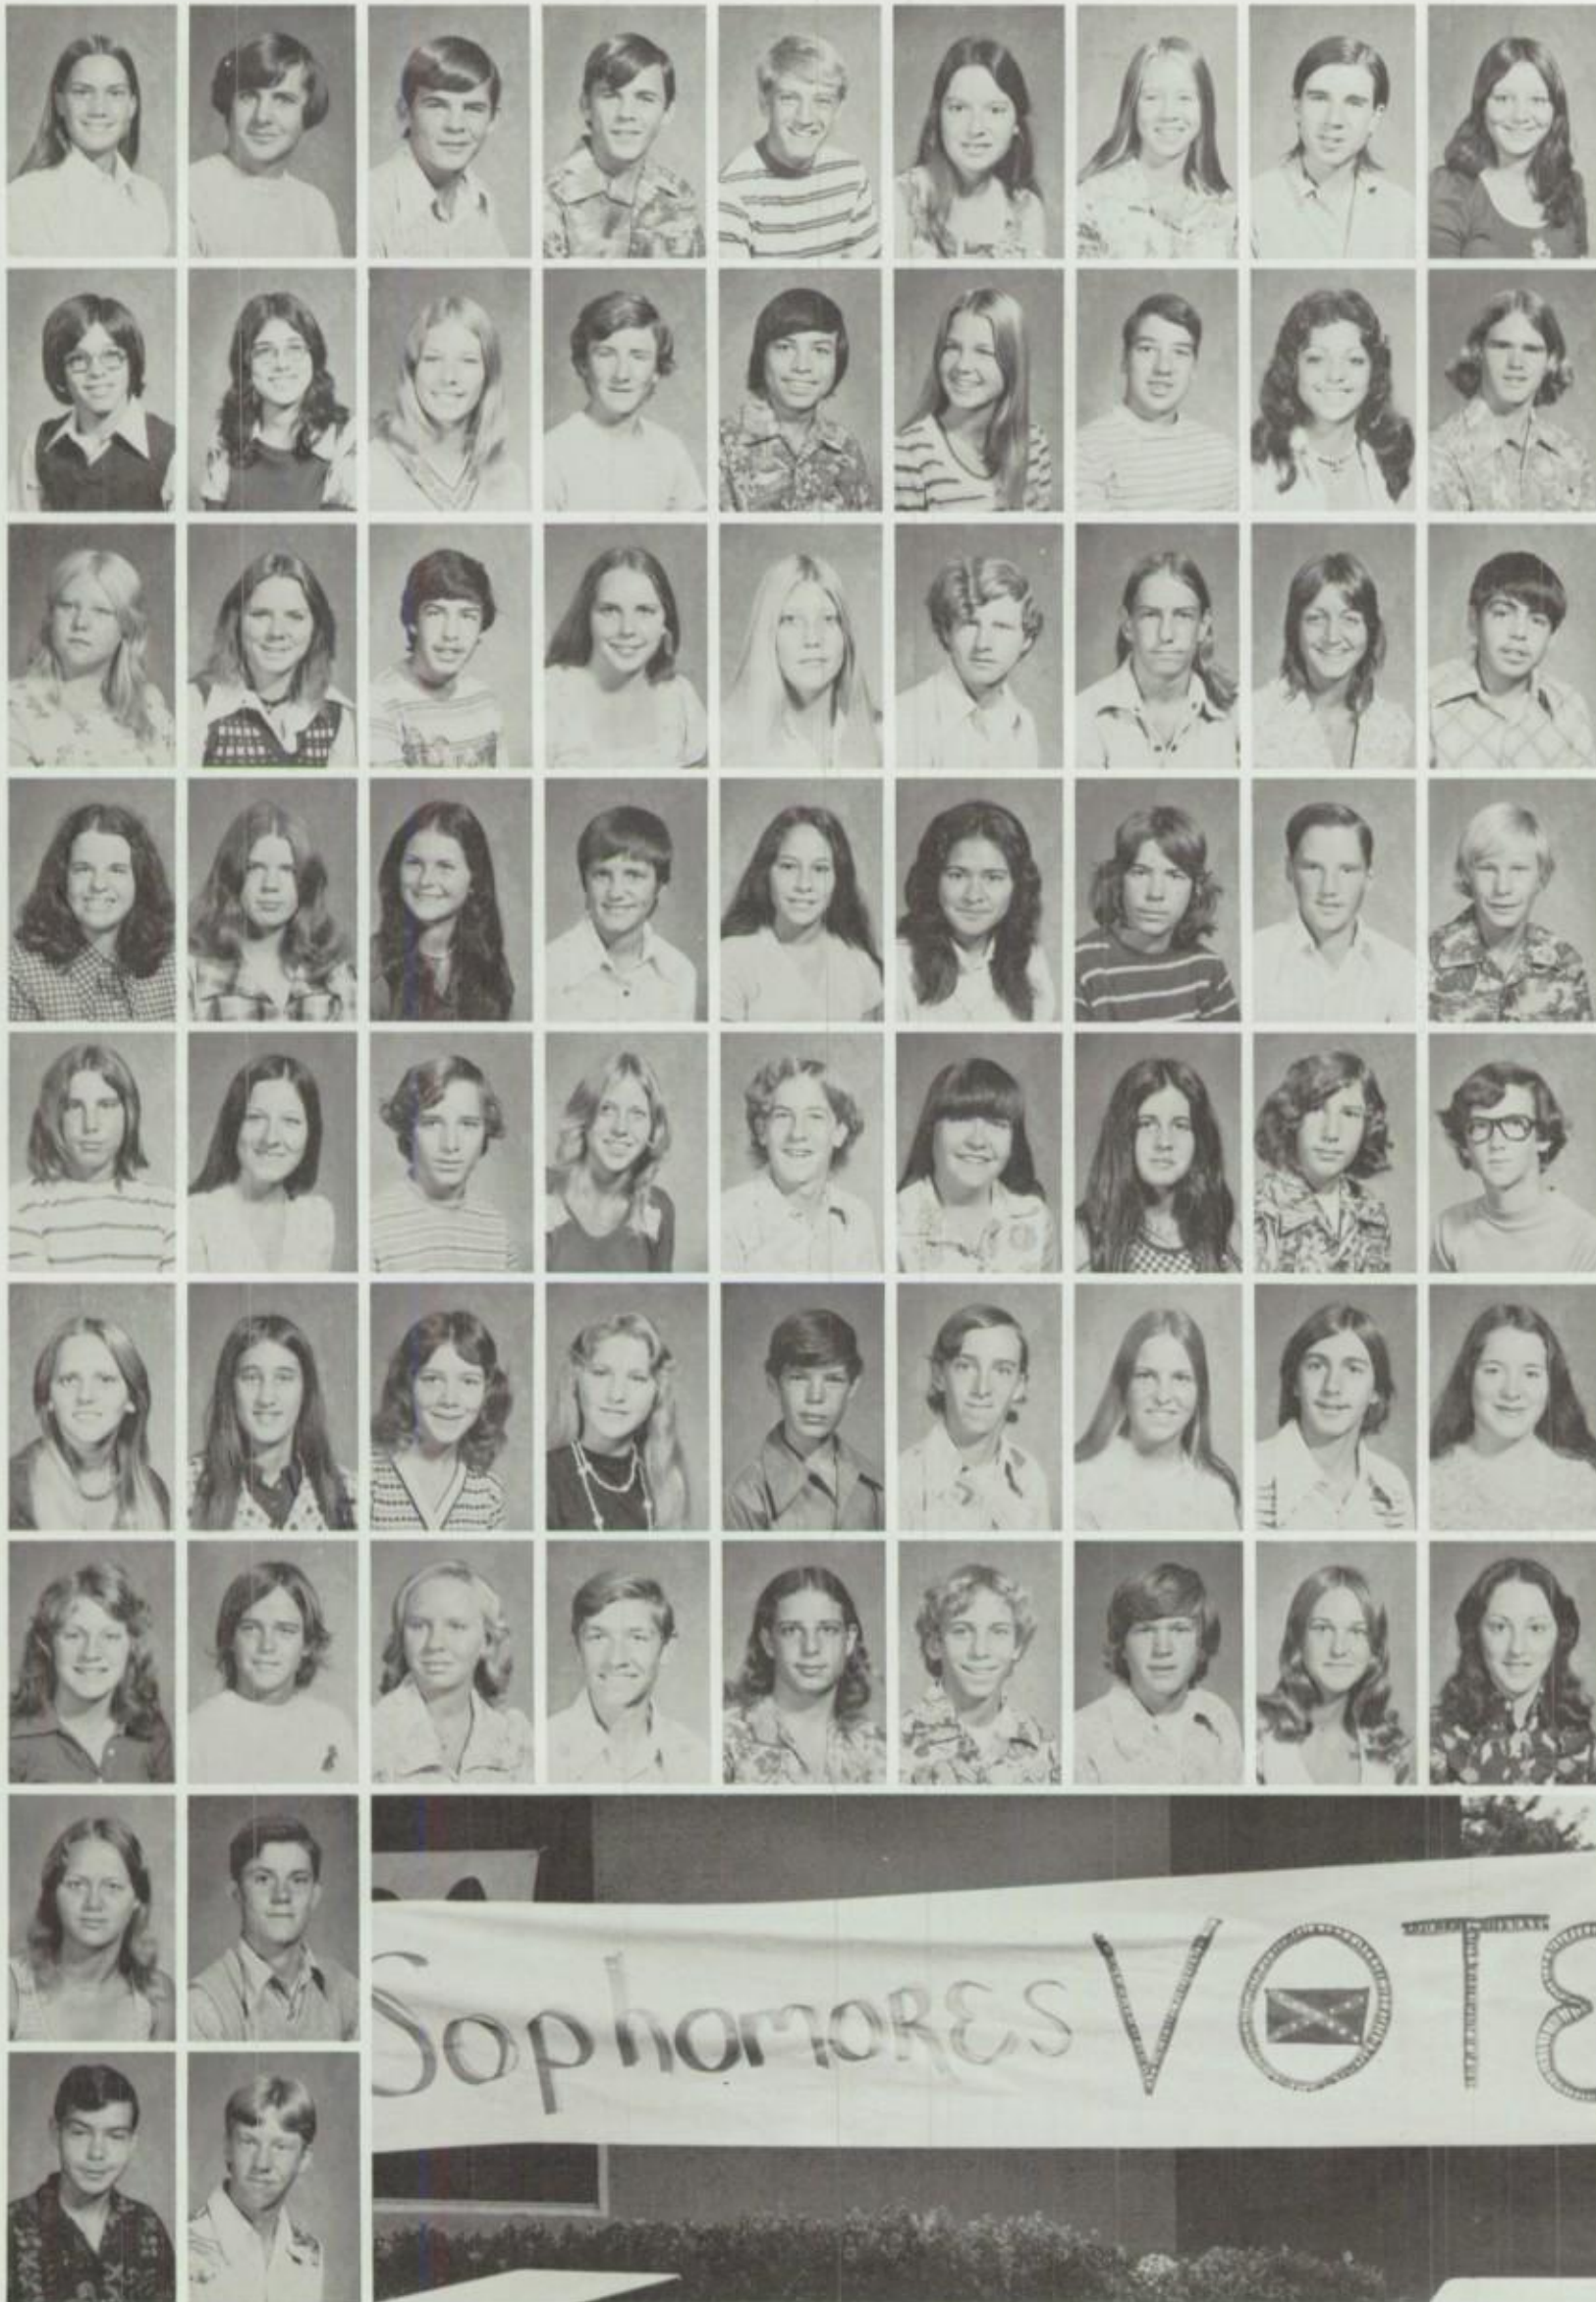

This year the Sophomore Class was very busy. During the year they put on a dance, flower and candy sale and car wash. The main goal of the Sophomore Class was to raise money to keep for the next year, to use to help pay for the Junior and Senior Prom.

ACADEMICS

English and Reading Work Together

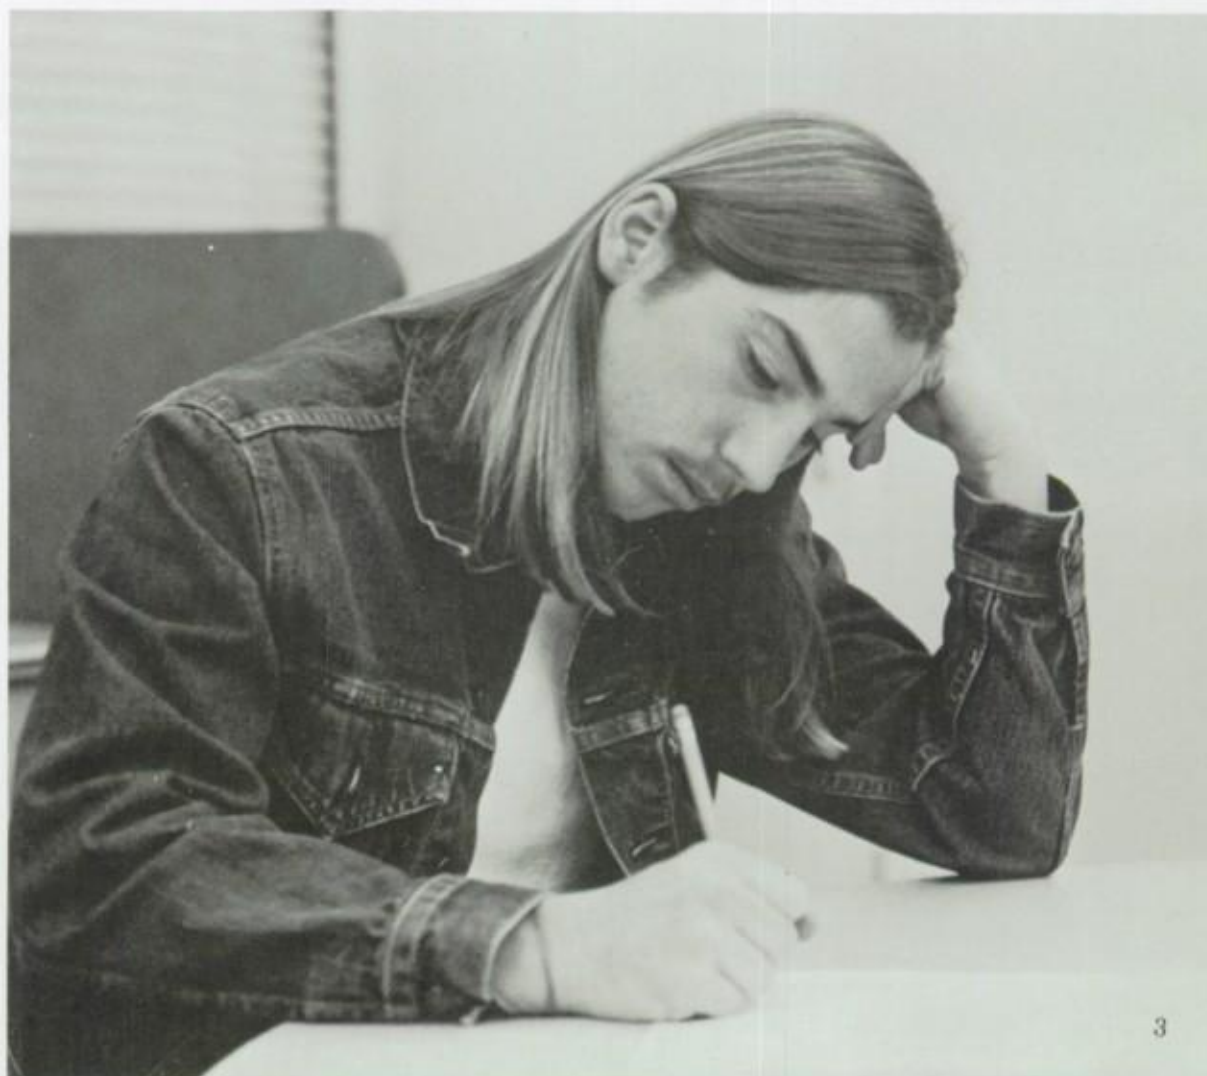

The English Department, under the direction of Miss Brown and Mr. Shore, consisted of classes dealing with subjects that included American Short Story, Reading Enjoyment, War and Literature, Mythology, Media and many others, too numerous to name. The Drama class put on three major productions and eight minor productions during the year. Many of the English classes used film strips, record players and films in addition to books.

The Reading department under the direction of Mrs. Wedeking studied units in minorities, sports, terrifying tales, myths and folktales.

The Reading class utilized many sports films such as Rams, Angels and motorcycle racing in their class.

Foreign Languages

The Foreign Language Department was headed by Mr. Koskela. The department offered courses in French, German, and Spanish with various levels in each subject. Not only did these classes study the vocabulary and grammar of the language but also took part in field trips to learn about the history and culture of the people of that country. To aid them in their studies they viewed films, filmstrips, and listened to recorded tapes.

Business Ed. Helps Provide Opportunities

The Business Education Program provided students with saleable skills and an understanding of the requirements and opportunities in the business world. Some of the classes taught at Savanna dealt with the fundamentals of business transactions, the uses and distributions of goods and services. Most students took classes in vocational training such as Record Keeping, Accounting, Office Machines, Shorthand, and all phases of Typing. Mr. Richey, the department chairman, felt very fortunate to work with such business oriented students.

Student Aide & Work Experience

Savanna student aides had an opportunity to learn a variety of job duties. The School Aide Program dealt with on-campus work and provided in-service training for students. The Department Aide Program was designed to offer laboratory assistant assignments in selected subject areas. For practice in clerical experience through placement in on-campus facilities, students enrolled in the Clerical Aide Program.

Work Experience was divided into three groups: General, Vocational and Exploratory. The first two groups involved working, getting credit, and being paid for the hours worked. Exploratory Work Experience consisted of exploring a field of work as chosen by the students.

This department, coordinated by Mr. Richey, was also responsible for the student store. The store not only provided a campus convenience, it also offered many practical experiences to participating students.

Captions: 1. Karen checks a student's schedule 2. Period absences being recorded by Terry Hintz 3. Mike records daily absences 4. The switchboard provides Janet and Bev with clerical aide experience

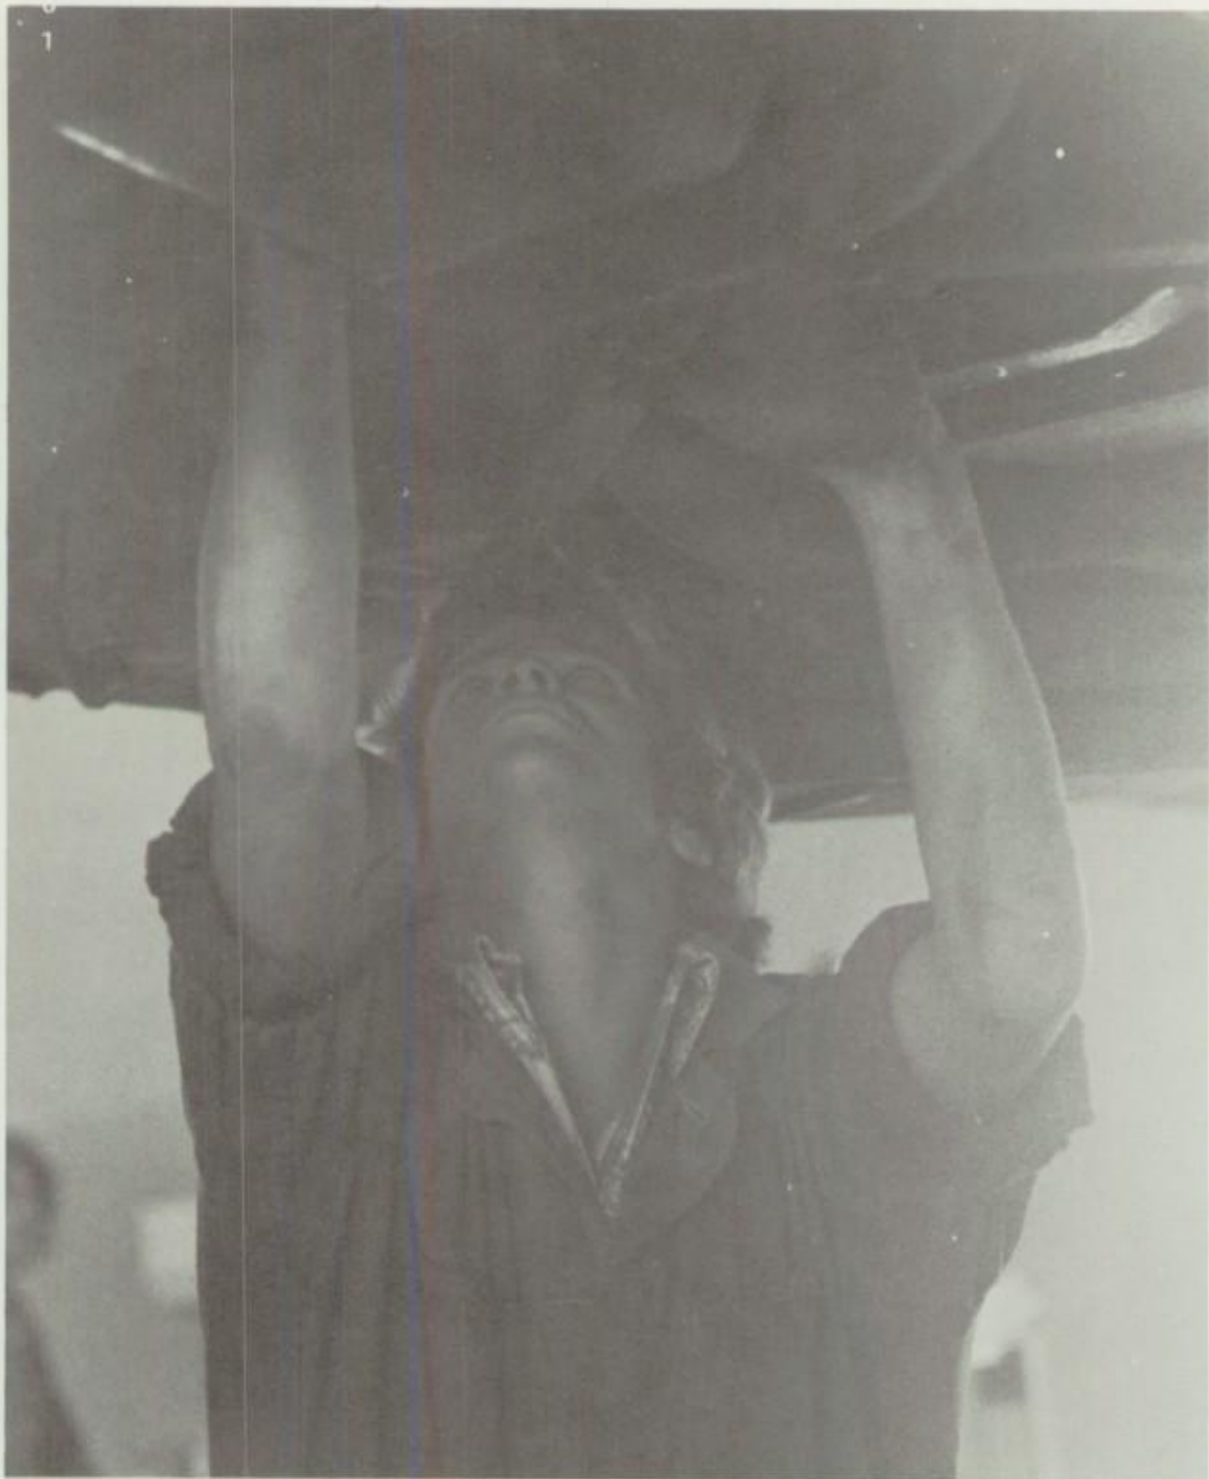

Home Economics Stays Up-to-Date

There were many courses offered in the Home Economics Department, headed by Mrs. Rowley. Students learned cooking, sewing, Child Development, Family Relationships, and Interior Decorating. Many boys and girls took Housing and Management to increase their skill in managing a home. One very educational class was Fashion Merchandising. This class operated a boutique on campus where various items could be purchased. There were many field trips the Home Ec. class went on, such as the Fashion Institute and The California Mart in Los Angeles. Many students participated in the Simplicity Fashion Show in December.

Industrial Arts

Offers Interest and Competition

Mr. Hoffman has led the Industrial Arts Department through another successful year. Electronics, Drafting, Wood/Construction and Auto Shop were offered by this department. Many Savanna students entered in the '74-'75 Architectural Design and Drawing Competition and the Junior Engineers' Contest. Modern drafting machines and equipment required by the Air Pollution Agency are used in the classes. Also, some classes have the use of a professionally equipped spray booth for painting their cars. Savanna is the only high school to have the privilege of using such equipment. Electronics students repair small appliances and prepare for entering careers in the many fields of electronics. Many students take courses offered at Fullerton College and upon completion they will get college credit.

Captions: 1. Mark practices his skill at auto repair 2. Genuine interest is shown during motorcycle shop 3. The right knowhow causes a soda can to become a lamp

Science Uses Learning Projects

The Science Department, under the direction of Mr. Yingst, had a very busy year. Biology, Life Science, Physical Science, Physics, Chemistry, Physiology, and Oceanography were the courses offered. A few of the various activities that this department was involved in included field trips to the tide pools, the Fury II, and camping at Yosemite and Joshua Tree Parks. Some courses offer individual student learning projects. Microscopes, viewers, and many other types of lab equipment are used by all students.

Captions: 1. Dave takes his turn with the microscope 2. Lori and Sharon concentrate on an exact measurement 3. The microscopic world seems fascinating to Ernie

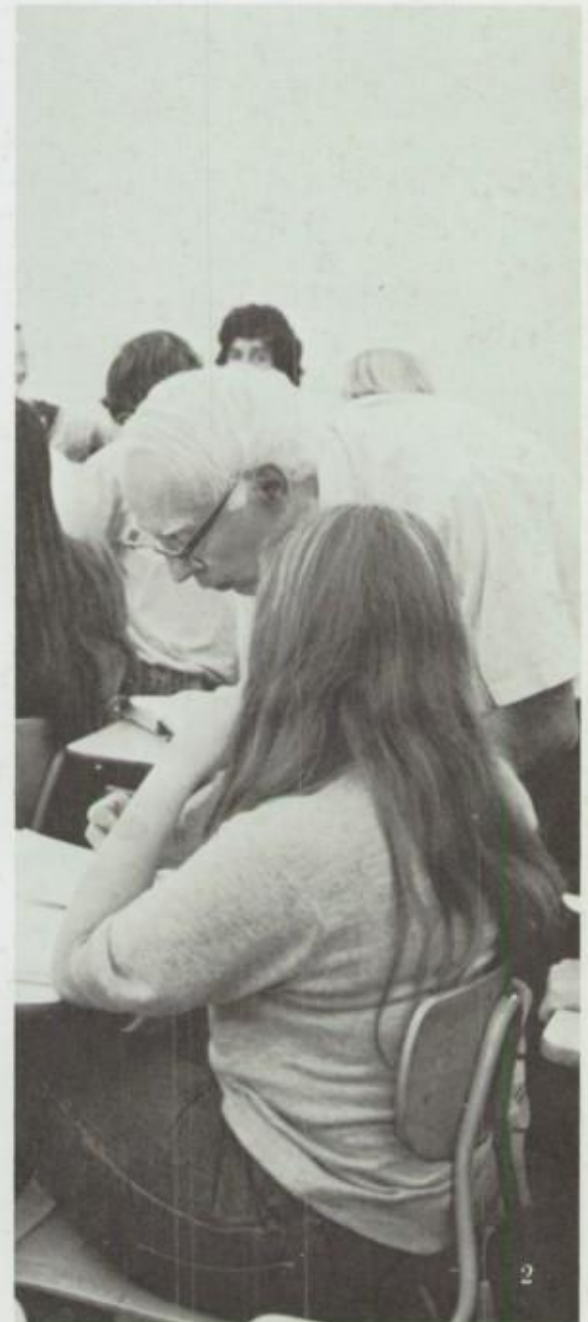

Math Prepares Rebs for College

Under the chairmanship of Mr. Way, the Math Department consisted of courses including Math Analysis, Algebra, Trigonometry, Geometry, and Practical Math. Math continued to hold its academic prestige as a requirement for all college-bound students.

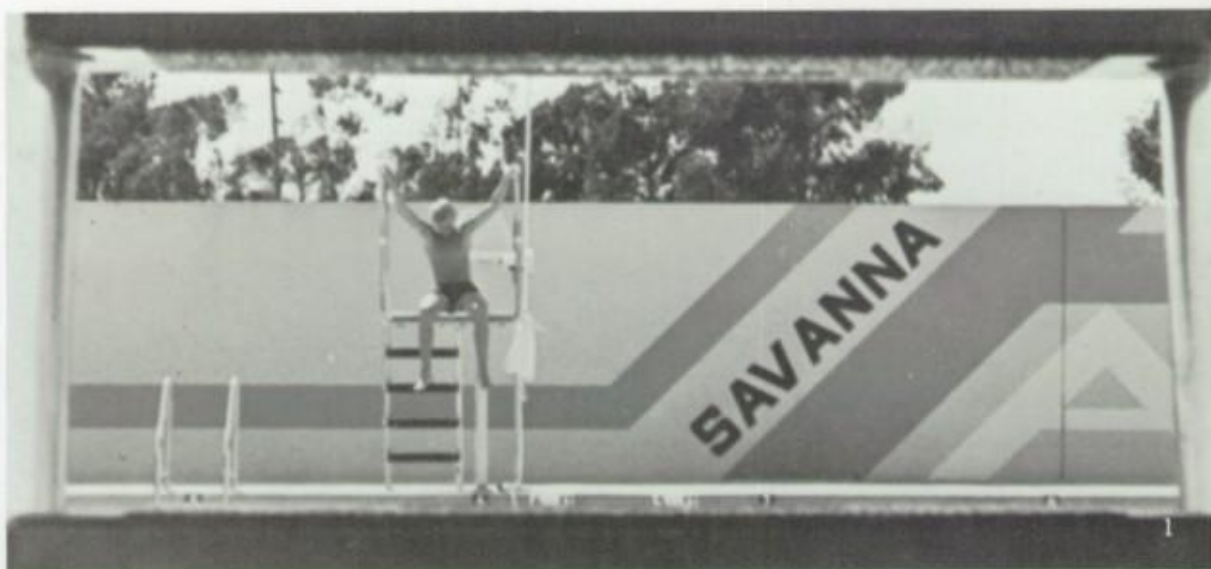

Captions: 1. Students have an opportunity to exchange knowledge 2. Mr. Way renders individualized help 3. A student receives classtime assistance from Mr. Ferguson

Boys P.E. Takes Advantage of New Facilities

Backpacking, Flycasting and Scuba Diving were added toward last years program to comprise the Boys Physical Education Department. Mr. Smick, B.P.E. Department Chairman, emphasized improvement in skill, attitude, appreciation, knowledge and understanding in each activity. With the completion of the new pool, scubadiving became one of the most preferred subjects. The course consisted of training students in life saving techniques as well as in scuba activities. After the completion of the course many students became certified scuba divers. The addition of a new wrestling mat gave students a chance to try out their skills at wrestling.

Girls P.E. Gets New Equipment for Activity

The girls P.E. department has been very successful with the addition of new classes such as Scuba, Aquacalsthenics, Backpacking-fishing. Another popular class with the department was the Modern Dance and Jazz. These students performed at Fullerton State College Dance Show.

P.E. classes consisted of Tennis, Volleyball, Softball, Archery and many others for the variety of students. With the addition of a complete gymnastic apparatus for activity, Gymnastic class was made into a semester class. The girls P.E. department under the direction of Miss Owen put on a program in P.E. for the incoming ninth grade girls.

Captions: 1. Sophomores work together to create modern dance routines 2. Karyn Krause packs a mighty blow when serving the ball 3. Cathy and Yiota take careful aim before hitting the birdie.

Social Science

Adds Interest

This year the Social Science department, headed by Mr. Jeter, expanded to add Psychology and Sociology to the choices. The Government classes went on field trips to the Superior Courts and individual trips to the City Council. Students worked in Government classes for candidates in the November elections. Lawyers came to talk to Government classes.

The United States History classes deal with learning how America got started and the making of our government.

All classes in this department dealt with group work, research projects, text books, and current event forms of media.

Classroom Expressions

Captions: 1. Interesting lectures make it easier to listen 2. Vivian and Mike find time for a laugh 3. Pam expresses that Social Science can be a pleasant experience

Art Offers Large Variety

The Art department, under the supervision of Mrs. Jensen, offered a large variety of classes. Among them were Drawing, Painting, Ceramics, Jewelry, 3D Design, Leather and Textiles with a special studies in each area. Some students entered social art contests, art shows and the annual District art show. Besides the two new art classes offered, the students were also introduced to newly installed equipment.

Captions: 1. Lonnie finds Ana's picture more interesting 2. Gilbert develops talents at the pottery wheel 3. Dave works on another original creation

Music Department Busy Year-Round

The instrumental section of the Music Department, under the direction of Mr. Gunderson, had a busy year. The Jazz Ensemble went to San Francisco for the Western United States Convention. The Marching Band won many trophies for their fine performances in various competitions.

The vocal section of our Music Department was under the direction of Mr. Bourne. It consisted of Girls' Glee, A Cappella Choir and Madrigal Singers. These groups put on several concerts to raise money for A Cappella Retreat and Madrigal Tour.

Both instrumental and vocal sections of the Music Department were involved in an individual study program which was financed by the M.G.M. fund.

Sophomores Drive

New 1975 Cars

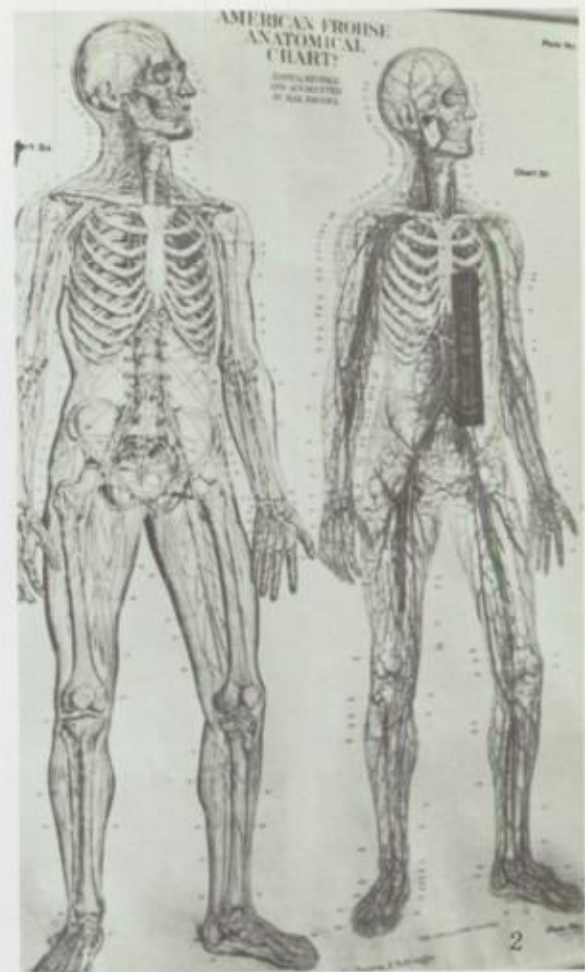

The Driver's Education Department has the latest equipment available which includes computerized simulators, filmstrips, correlated with textbooks, and 1975 cars. Department Chairman, Mr. Frank, was very proud of the program at Savanna this year.

The program consisted of nine weeks classroom instruction and nine weeks drivers education lab (simulator and car). All sophomores had the opportunity to enroll in the program.

Members of the department worked together for the benefit of the students and were pleased with the results. Their primary goal was to put good, defensive, safe drivers on the road.

Captions: 1. Student drivers leave in one of the new 1975 cars 2. Posters were required assignments for Driver's Ed 3. Desks are put in the simulator room so students won't play with the simulators

Health Classes Offer Variety

The Health Department, under the supervision of Mr. Sanders, consisted of Health Education II for all sophomores. Two new courses were offered this year. They were Marriage and Family and and Advanced Health Education. All classes had research projects, extra credit reports and viewed films, filmstrips and x-rays. The Advanced Health class' field trips included visits to Hope School, USC Medical School and Loma Linda Medical School. Some class members offered a community program on Self Breast Examination, while other students worked with exceptional children at Savanna and various elementary schools

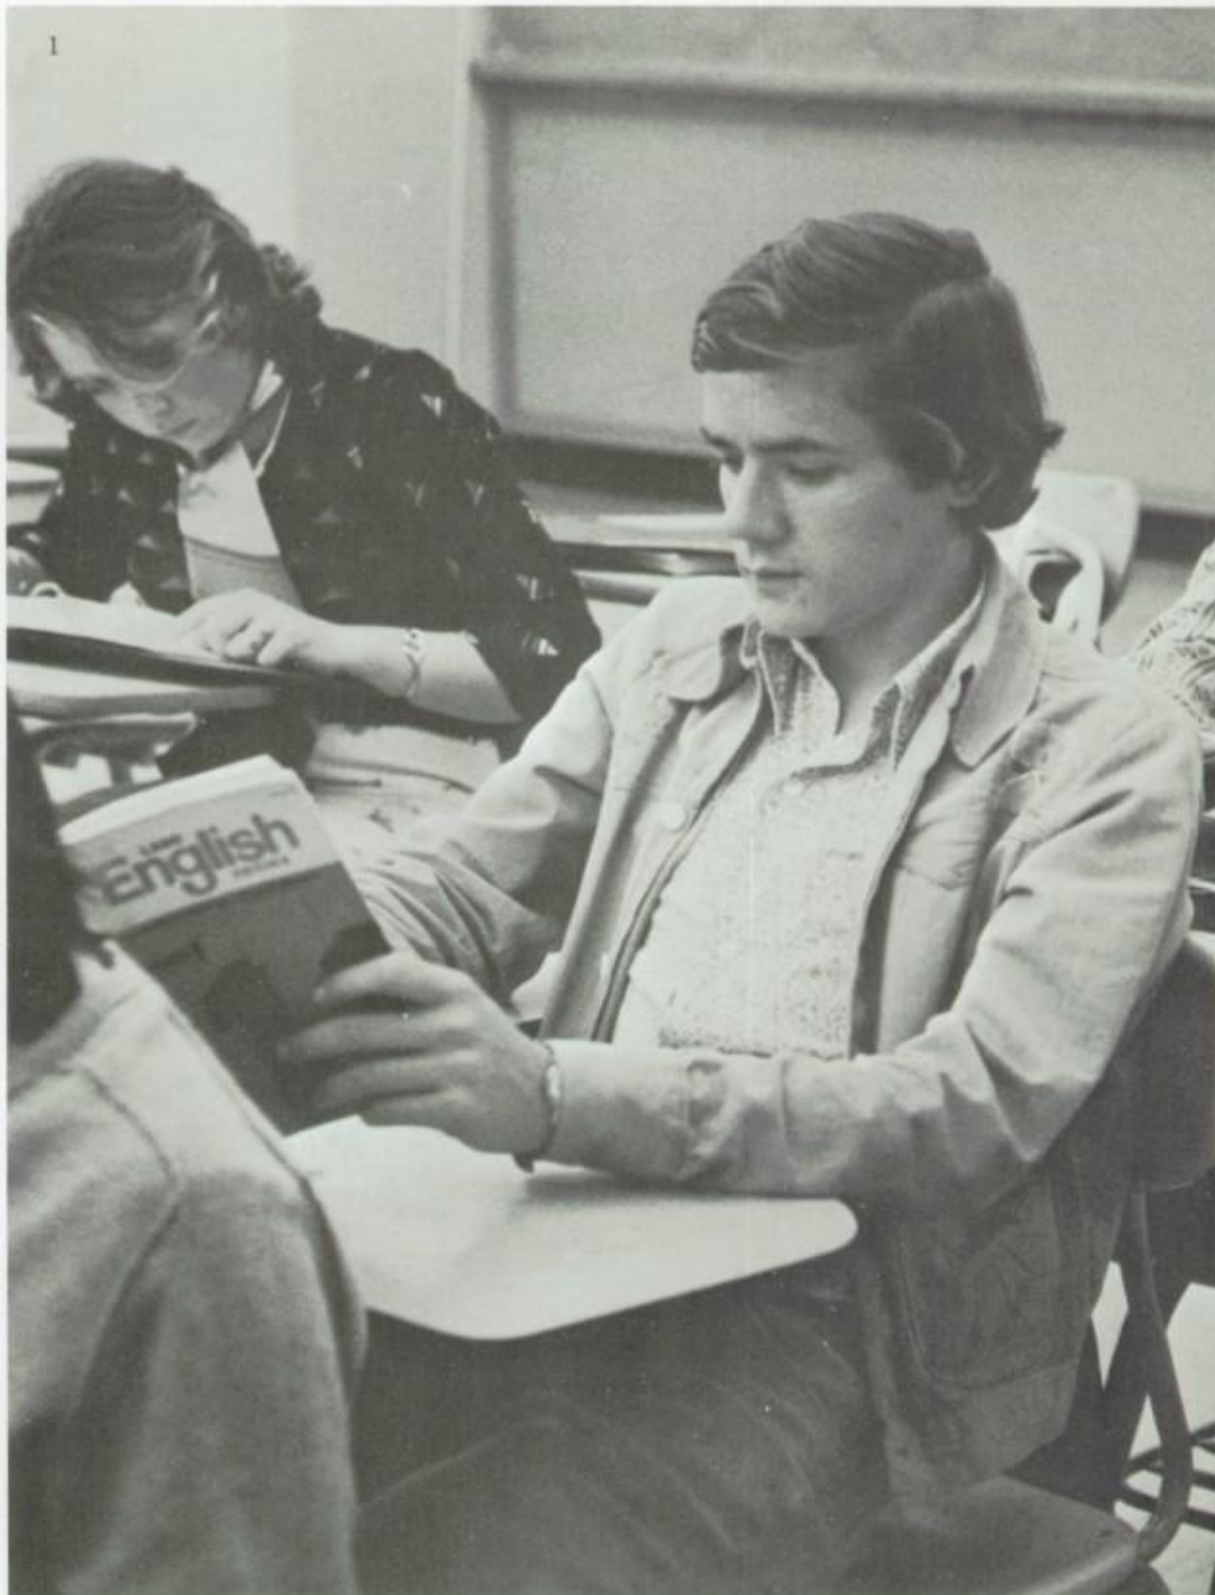

Captions: 1. Taking notes can be helpful in health class 2. Be careful of crash diets 3. A mock demonstration may be funny but the real thing is serious business

Special Education

The Special Education program covered a wide variety of student needs. Students received tutorial help in some subjects, and were given opportunities for vocational and academic testing which lead many into the Regional Occupational Program and the Savanna Work Experience Program.

The Aphasics class dealt with students having problems in either receiving or expressing the spoken word. Students could tape voices of themselves and do alot of talking and writing. All students enrolled in the class were in R.O.P. or Work experience. Aphasic students also took athletics and academic courses. Students went on camping trips, picnics, and to school plays. Many outside visitors observed this class taught by Mrs. Mallory.

The Non-Immigrant Program was a new program for foreign students. These students learned how to write, speak and read English. They also compared our way of life with life in their country. The high point of the year was a visit to Knott's Berry Farm. Mrs. Schneider was very pleased with the success of all of these students.

Principal, Mr. Ross

Addresses the

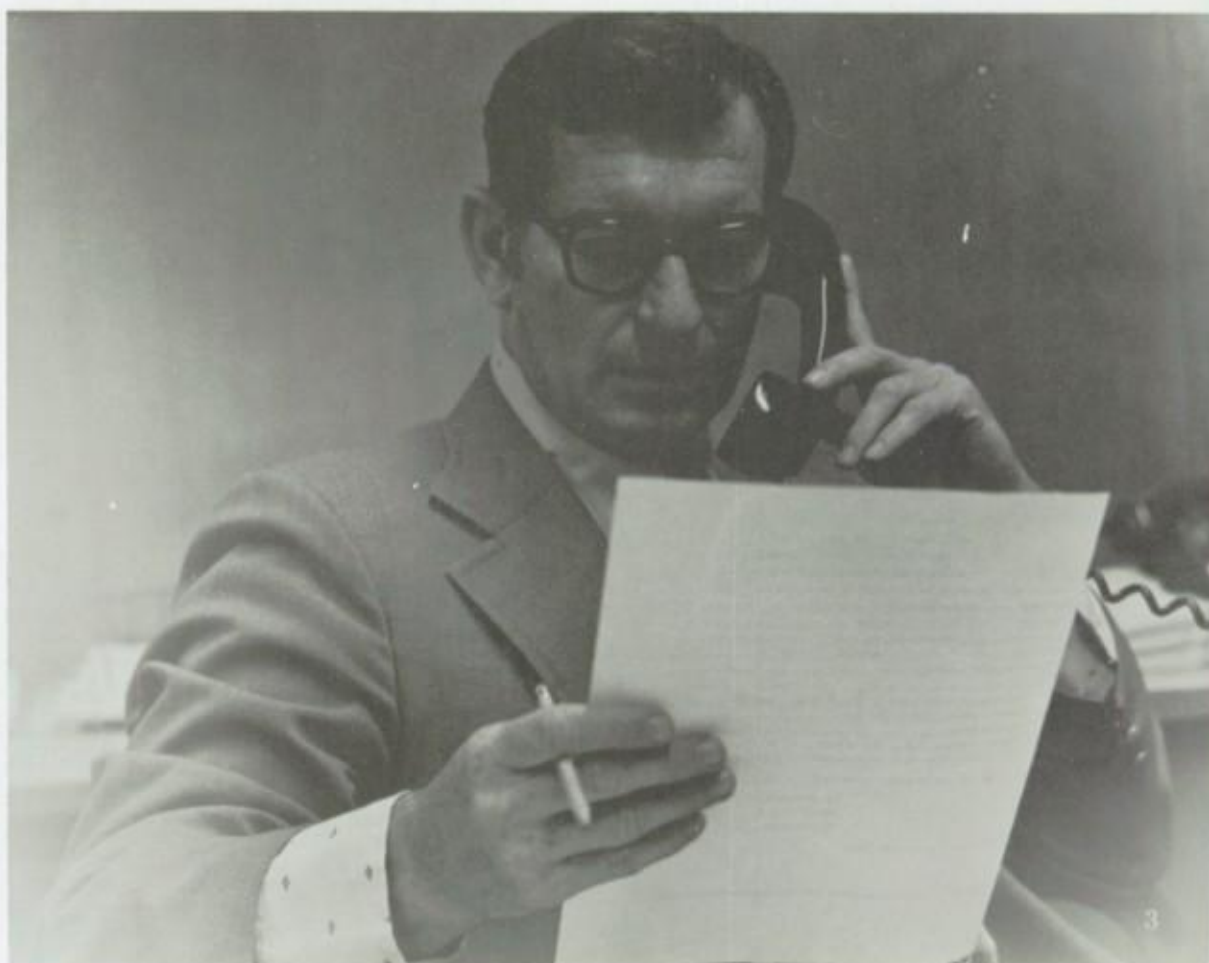

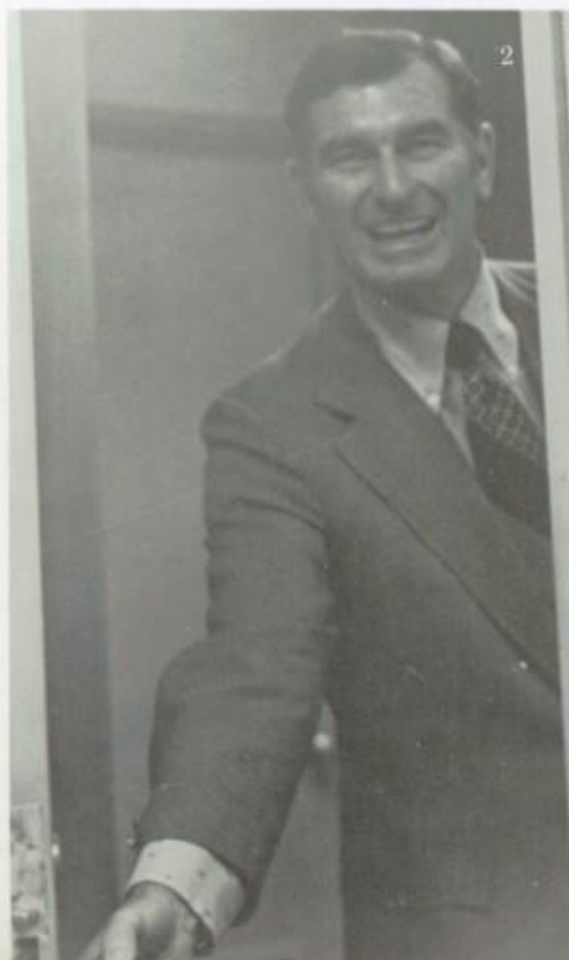

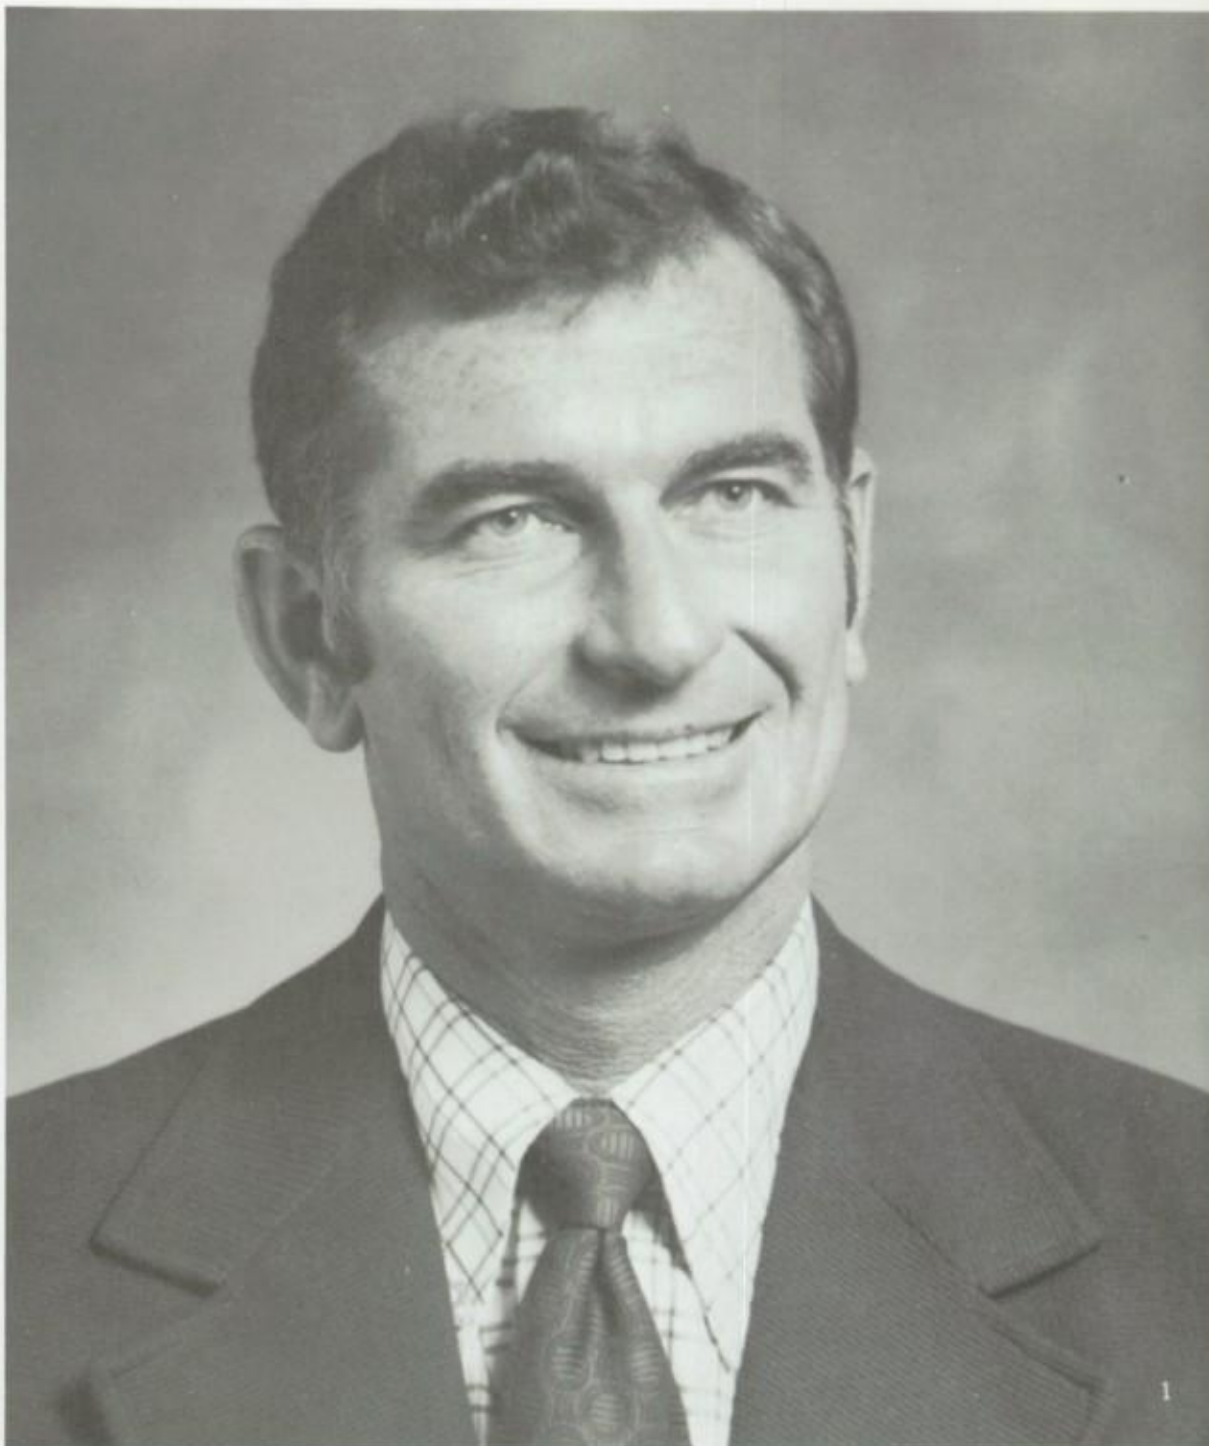

Senior Class

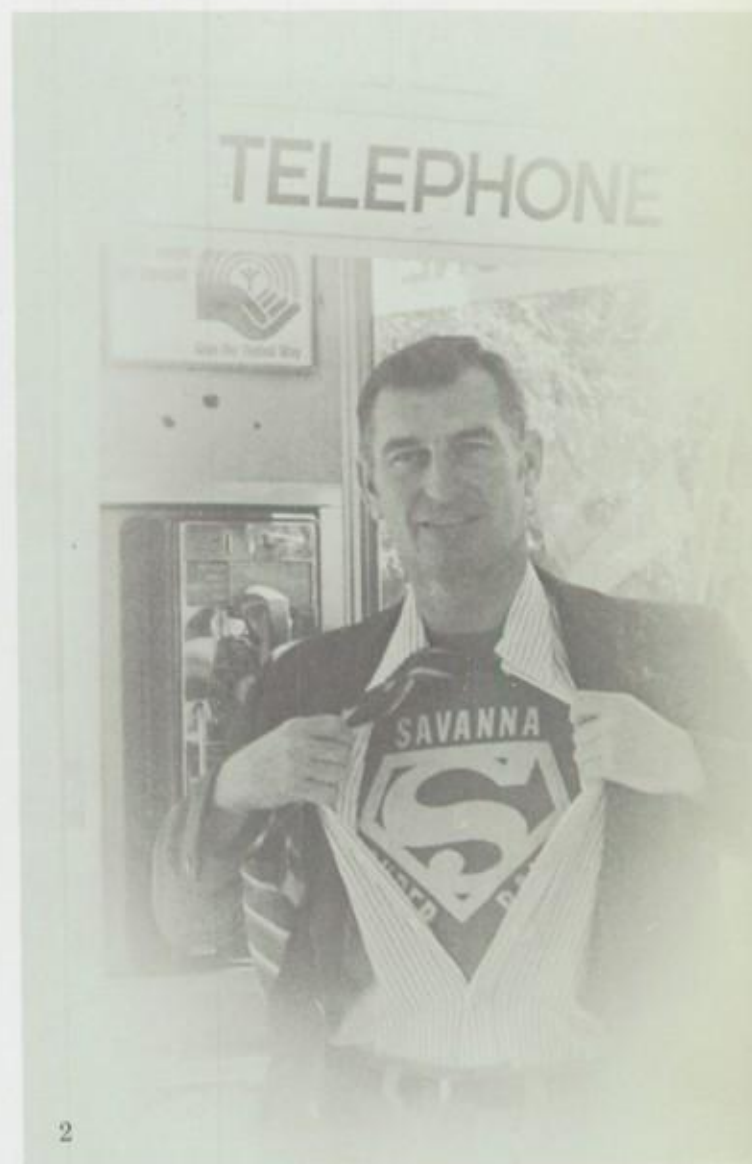

The graduating class of 1975 is to be congratulated for three successful years as students on the Rebel campus. They are noted for a cooperative attitude and a friendly manner. The faculty and staff are appreciative of their efforts to improve the campus and provide a good example for the underclassmen. It is a genuine pleasure to work with such a fine group of young people. They represent the best of our school.

This yearbook is a pictorial chronical of the events that took place during the senior year of the class of 1975. I share with students who have labored hard to produce this work the thought that each Rebel will read it with fond remembrances and pride.

A Time to Reflect...

As we come to the close of another school year, the opportunity is ours to look back over the year. We are able to reflect upon the many fine experiences which contribute to making Savanna High School an excellent school. This greatness is due to our students, faculty, and community.

It is truly an honor for me to be a part of Savanna High School.

Wishing You the Best

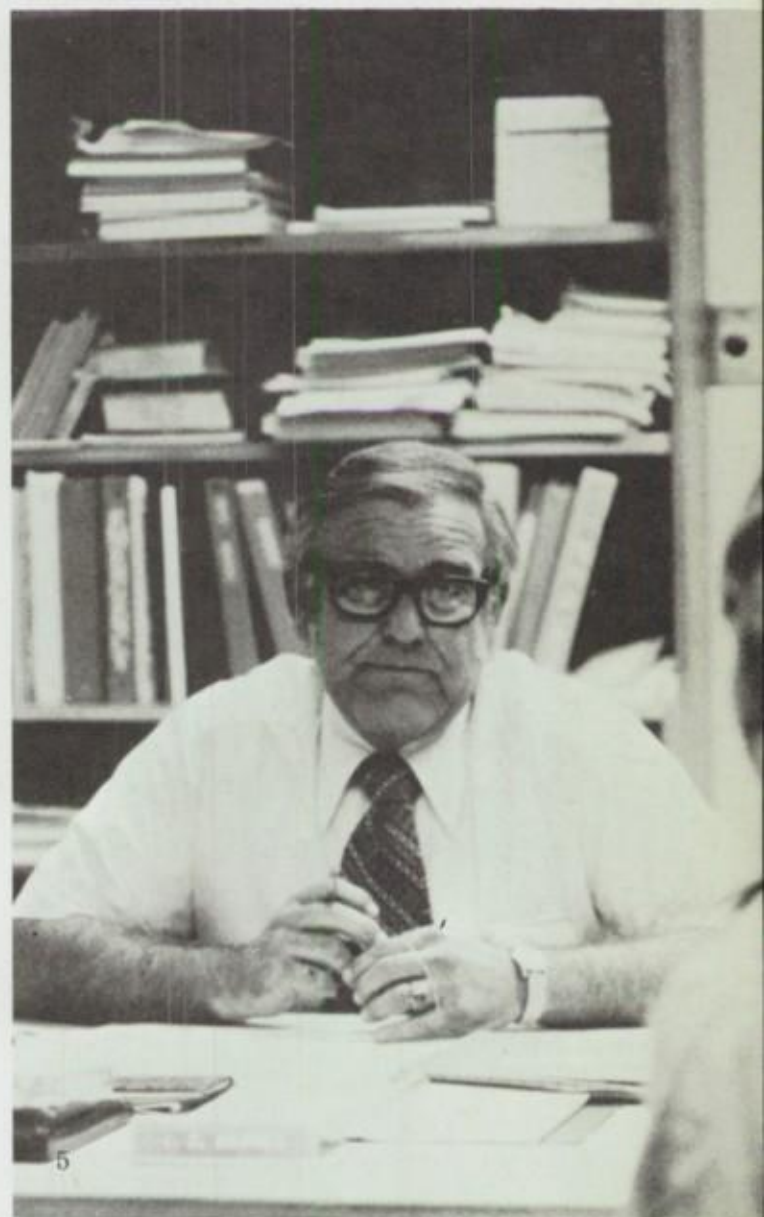

Your high school days! You'll remember them all of your life! The games, the dances, the favorite teachers, the "Rebel Spirit" and, most of all, the kids!

A student's high school days can be one of life's greatest experiences. Each day should be lived to its fullest and there should even be some learning which you carry over into the "big world."

I wish each Rebel the very best life each can live. You only go around once, so have a good one.

ASB President Shawn Nakamura

I hope the students of Savanna High School had an enjoyable and successful school year. It is my wish that each individual reached his or her goals for the year. May your plans for life be successfully fulfilled.

Cabinet Governs Savanna

Looking back at the 74-75 school year, Savanna's students, faculty and administration can be proud of the many outstanding accomplishments of the student government. All of this was done under the able leadership of Shawn Nakamura. Meetings held during 2nd period brought out the problems and new ideas for the students of SHS.

Student Council Elected to Serve

The 1974-75 Student Council provided the student body with many outstanding activities. One of the best liked among the students was spirit week. The Council not only planned activities but spent a considerable amount of time discussing various school problems and trying to solve them. One of the main objectives was to involve more students in co-curricular activities and increase interest in school affairs. The council was under the leadership of Shawn Nakamura and coordinating all the activities at Savanna was Mr. Maib. The Student Council is to be congratulated on such a fine year.

ACTIVITIES

forgetting, remembering...

September

In September, school started anew with registration, a new pool, and a welcome to our sophomores. As the fall sports, football and cross-country, got into full swing, expectations were high, but the scores were not, as Savanna lost its opener to Santiago. The sophs elected officers, and everyone looked forward to October.

October

October found us toiling through the first quarter, taking time out to watch football games, go on field trips, and hear our great band.

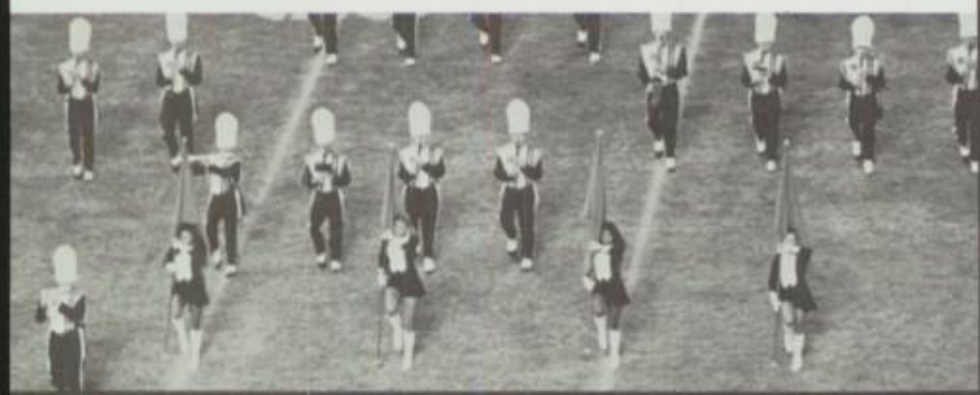

The physiology class went to Yosemite, and the band performed at the Band and Drill Team Spectacular. The football team lost some more games along the way, including a close one to Buena Park. Despite that, our hopes remained high as November came.

December

The short school month of December was the busiest for everyone. The band and A Cappella choir were preparing for the "Holiday In Music" program. The basketball and wrestling teams were getting ready for their seasons, and Christmas was approaching rapidly. To help us relax, there was the Christmas assembly, the Christmas Formal, and finally, the long awaited vacation arrived.

November

The football team continued to falter, as it dropped the Homecoming game to Troy. Things were brighter though, when Alise Hill and Mike Trump were crowned Queen and King. A week later spirits rose to new heights as Savannah defeated La Habra in an exciting game. The occasion prompted many to celebrate at Shakey's. The band and drill team responded by winning awards at Los Altos and Chaffey, and the Thanksgiving holiday helped top off a great November.

January

After a nice vacation, January was upon us, with the last weeks of the first semester. As finals drew closer, we were occupied with our studies, hoping for good grades. With what little free time we had, we saw some great basketball games, among them were heart-stopping victories over Buena Park and Lowell. Taking a break from sports, students enjoyed "The Drunkard", a major drama production.

TRACK is COMING

February

With February came the second semester and a busy month for all. Basketball was on the way out, track was on the way in and kids on campus worked hard at their studies. There was relief, however. Senior Week was on in the middle of the month and, of course, seniors proved their superiority once and for all. To end Senior Week with a flourish, there was a challenging car rally, providing fun for many.

March

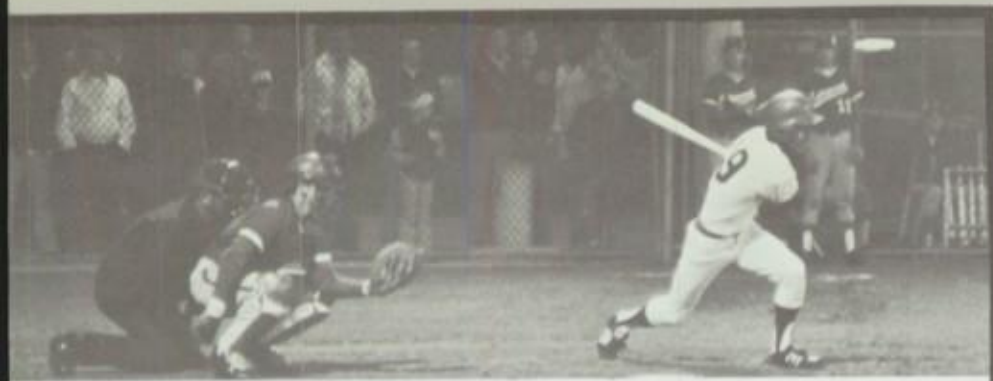

When March passed by, we hardly noticed it, as we were occupied by our worldly pursuits. Continuing its drive for money, the Senior Class sold stuffed animals. If we wanted something for free, we could always watch the track or baseball teams play. If one felt charitable, you could buy something at the Boosters' Swap Meet. If you were in love, you could buy a St. Patrick's Day flower for your sweetheart and if you liked music, you could hear the choir sing.

May

In the merry, merry month of May we were the busiest people you ever saw. Seniors were getting ready for graduation, Rebel '75 was the big activity on campus and in the meantime, people found time for sports like tennis and baseball. It seemed like June would never arrive. While we waited, our thoughts drifted to things like vacation, the beach, the mountains or simply the fact that 12 years of school were done for those of us who were seniors.

April

With our victory flag to April's breeze unfurled, we rejoiced over our baseball team's fine record. It was a lively month, with all the girls trying to get a date for the Sadie Hawkins dance, and the guys fighting for their lives.

June

Well, June finally was upon us, and the time had come for many to leave Savanna. Some cheered, some cried but for most of us there was the satisfaction that we had done our best. For those staying on, vacation was dangling like bait before them, tempting them to stray from their paths. It didn't take long for it to come though, and for a while at least, FREEDOM!!

Girl of the Year, Kris Kessler

Kris Kessler consistently demonstrated leadership, scholarship and service throughout her three years at Savanna. She excelled in Drill Team and A Capella Choir. Kris was a member of the California Scholastic Federation, the National Honor Society and the Student Council. She also participated in the activities of Student Congress, Junior House, the Curriculum Committee and Faith Fellowship. Kris was elected to the office of Class Treasurer for both her junior and senior years. With her infinite energy and involvement, Kris Kessler was a memorable and highly valued asset to Savanna.

Boy of the Year, Steve Delph

Steve Delph held a record of excellence in participation, leadership and service which will be difficult to equal at Savanna. During his years as a Rebel athlete, he lettered in track and golf for one year each and lettered in wrestling and football during all three years. Steve served in the Sophomore, Junior and Senior Houses. He was elected Junior Class President and was active in A Capella Choir for three years. As a senior, Steve added membership in the elite Madrigal group to his long list of impressive achievements. The outstanding enthusiasm and pride shown by Steve Delph will not soon be forgotten at Savanna.

Homecoming

"Deja-Vu"

Homecoming was a special event of the year. To some it had no significance at all, but to most it was a time of reunion. Alumni returned bringing with them memories of former years.

The theme for Homecoming 74-75 was "Deja Vu". The climax of this event was the crowning of the "Savanna Belle", Alise Hill, and the "Rebel King", Mike Trump. The Homecoming dance was held at Fullerton Junior College student center.

Spirit Week '74

This years Spirit Week was a little different from those of the past years at Savanna. There was a roller skate day, tourist day, hill-billy day, and costume day. Rebels were especially enthusiastic about "dress up" days. Although there were a few rainy days students participated with spirit and excitement.

I.C.C. Where the Action Is!

The Inner Club Council was a special organization which involved all clubs on campus. Its purpose was to get all clubs involved in school events. I.C.C. consisted of President, Vickie Delfs, Vice-President, Donna Ochete, Advisor, Mr. Maib, and the president of each club on campus. Some of the spirited events which I.C.C. sponsored this year were; the Halloween parade renting booths and decorating floats, an all school candy sale, and the biggest event of the year, our big spring show- Rebel '75. This show helped to get all clubs and outside talent involved.

Yearbook Staff and Its Message

Contrary to what may have been popular belief, yearbook was not an easy course. Our "trigger-happy" photographers ran all over campus taking snapshots of as many happenings and events as time allowed. Out of hundreds of photos, the staff had to choose the ones to go in your book. These were then put in an imaginative order, along with the copy which space allowed, to sum up the school year. The mechanics of creating a yearbook take a lot of patience, effort, and teamwork. We were helped all the way by our Advisor, Miss Jones.

We, the Staff of Savannan '75, proudly present to the student body of Savanna *your book*. We sincerely express the hope that you find memories to be treasured always.

Dispatch Keeps Rebels Informed

The Dispatch has again done a fine job of keeping our student body informed of all important school events. Each month they turned out a descriptive paper to let the student body know about everything happening on campus. With the guidance and help of Mrs. Tate, their advisor, they put out a great paper all year.

NHS Promotes Leadership Among Savanna Seniors

During the year NHS provided many fun filled activities for Savanna's academically inclined students. Their activities included sponsoring a Christmas party for the mentally retarded, putting on a car rally, and taking a trip to the Los Angeles Music Center. The high point of the year came at graduation, when each NHS member received a blue cord for academic excellence.

Science Club

Science Club was very successful in '75, increasing in membership by fifty percent. They participated in many activities this year, among them two car washes, a can drive, paper drive, candy sale and several field trips. They also went with the Oceanography class on the *Fury II* floating lab and learned about the sea. Also, the club provided films during their meetings at lunch, so people could eat and have a good time.

Rebel Key Club Serves Community

In accordance with tradition, community service continued to be the goal of Key Club. It has promoted civic activities every year since Savanna was founded. Along with their civic projects, Key Club members often attended the breakfasts which are held regularly by their sponsor group, the Anaheim Kiwanis Club.

Key Club officers for this year included President, Joe Cozart; Vice President, David Dvorman; and Secretary, Robert Shelton. Faculty Advisor for the year was Mr. Tom Ball.

NSA Has a Promising Year

Nursery School Assistants was a vocational education class which had been offered for the past three years at Savanna. The members, under the direction of Mrs. Rowley, worked as assistant teachers and aides. The students went on field trips to college-operated nursery schools and to various community service operations. Many students who completed the class are now employed in local pre-schools.

Cadets Keep Up Tradition of Fine Leadership

This year Savanna was picked to be the headquarters for all cadets in our district. The cadets went on several bivouacs where, in full gear they made one day encampments and were placed in battlefield situations. They also went on several survival trips, where they had no food or shelter and had to make do with what they could find. The cadets also represented Savanna in many parades and at the state rifle match. Under the direction of Colonel Weir, the cadets had a very successful year.

Songleaders Start With a Kick

The Savanna Songleaders started out their year by doing a great job of representing Savanna High School. At the Santa Cruz Song and Cheer-leading Camp, this past summer, they used original routines for competition. They practiced diligently during the rest of the summer to perfect their skills. Throughout this year they have done a superb job of keeping up the "Rebel Spirit". The Songleaders performed at games and pep assemblies doing complex routines for the students, faculty, and fans.

Under the leadership of Advisor, Mrs. Fedor, these girls showed outstanding talent and school spirit for the 1974-75 season.

Varsity Shows Spirit and Pride

Savanna's Varsity Cheerleaders went to Santa Cruz for the song and cheerleading camp for four days, learning routines, cheers, and chants. During the year, they continually came up with new routines which they performed. They decorated the team room for the guys on the team before games, and also cheered for all sports during the year. Under the leadership of Advisor, Mrs. Fedor, they did a fantastic job for the 1974-'75 school year.

Sophomores Set High Standards for Years Ahead

The Sophomore cheerleaders are a new addition to Savanna's cheerleading squads. They attended many competitions and had many fund raising activities to help pay for their outfits. They also attended all sophomore baseball, basketball, track, and football games. In their first year they have done a great job of keeping the spirit high among sophomore students. By doing so they have set high standards for future sophomore cheerleaders.

A Cappella

Has Finest Year Ever

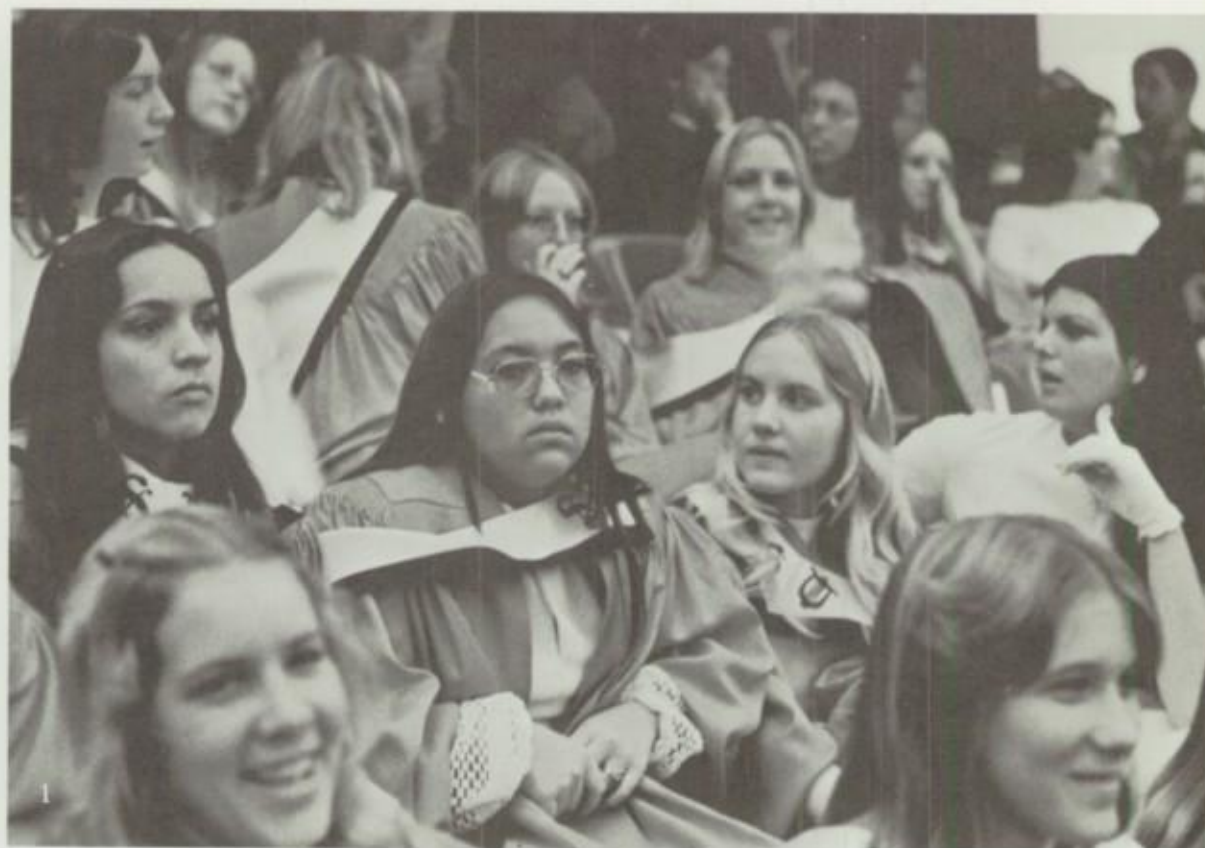

This year A Cappella participated in more activities and concerts than in any other year. They were invited to sing at Disneyland on two occasions and sang at the convention center for "Holiday in Music." The group competed in many singing festivals and received recognition for their excellence in music. A Cappella also took part in school assemblies and held several fine concerts. Under the direction of Mr. Bourne, Savanna's Choir was tops in their field.

Madrigals Get It Together With Music

Savanna's Madrigal Group added a touch of class to the music department. In addition to concerts and shows, they performed in assemblies and participated in the district festival. In February they went on a four-day tour to San Francisco where they performed for other schools up toward Northern California, leaving a sprinkle of Savanna's music wherever they went. New ideas using choreography and musical entertainment together proved to be very successful and audiences loved it. Many donations were given to Madrigals when they performed for different dinners and organizations. They have had a very busy year and SHS can be proud of their outstanding achievements.

Advanced Girls

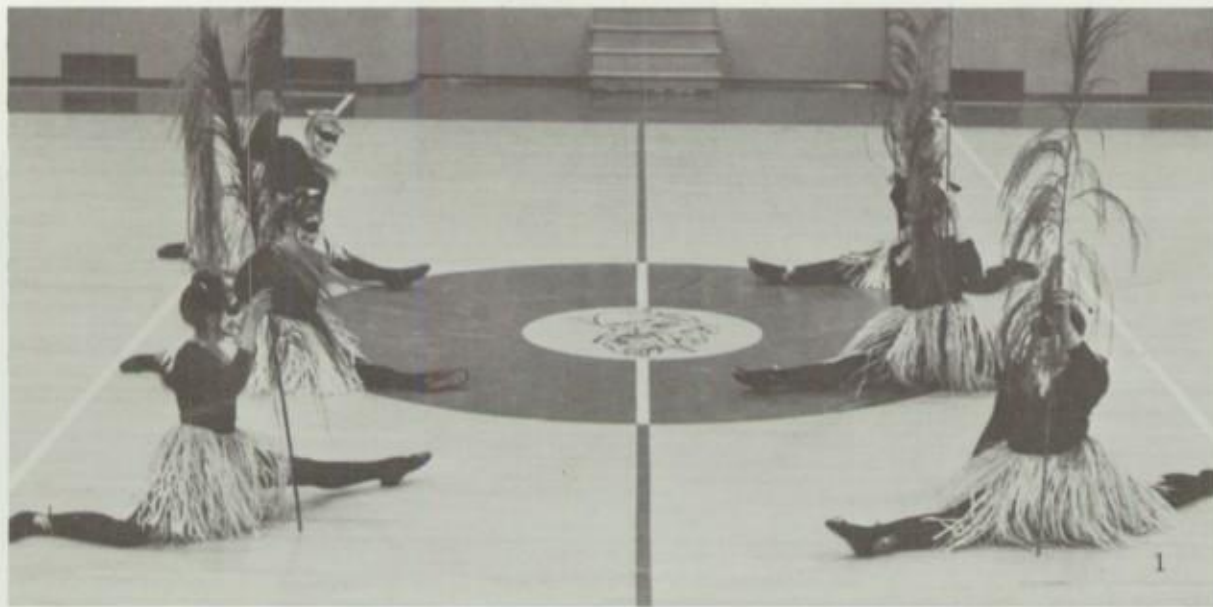

Glee Sings

Girls Glee had a busy schedule this year. Among their usual activities, the group also participated in exchange programs with Crescent and Brookhurst Junior High Schools, Holiday in Music and District Festivals. The class is open to any girl that is interested in singing and getting involved in the program. They had exceptional turnouts at their Fall, March and Spring Concerts. Under the direction of Mr. Bourne the Choir has grown in size and quality.

Rebel-Anne Rhythm

Savanna's drill team, known as the Rebel-Annes, are one of its most talented groups. They were busy with football half-times, competition shows, parades, assemblies, basketball half-times, Miss Drill Team USA, Savanna's annual spring show, and many other events. Under the direction of their advisor and the five leaders, the drill team came through with top honors in everything they entered throughout the year. The fall season was extremely busy, but they kept right on practicing and performing throughout the spring months. It was a Great Year!

The Leaders

Run the Show

How does the drill team do their thing? From making up routines, teaching them, working to keep discipline and smiling faces with forty-five girls, the leaders had quite a job. The leaders were selected from among members with at least one years experience as a Rebel-Anne. Try-outs were a week long, held sometime in the spring and the new leaders were announced at the annual spring show. With all the responsibilities trials and tribulations it was still quite an experience!

Tempo Talent

The Marching Band, one of Savanna's most active groups, was busy from the opening of school until Christmas vacation. Practice began in August and the Sophomores were taught different techniques and styles of marching. This year's competition show, "Front Row Center," proved to be fast-moving and very entertaining. The audience appeal was fantastic and showed in all the awards we accepted. Awards included: 2nd place Div. I Bands-Long Beach Invitational; Sweepstakes, Best Music, Best Marching and Manuevering, Best Showmanship, Best Drill team, Best Showmanship-Drill Team-Orange Tournament of Bands; 1st place-Class A, Best Marching and Manuevering, Superior Performance, Best Drum Major-Los Altos Competition; 1st place-Div. A Bands, Chaffey College half-time Tournament. Other events included: The Band Spec., Disneyland Parade, Silverado Days parade, and home football games. It was a very busy season and proved successful in many ways.

The Flags Fly and Banners Wave

The Banner and Flag Corp did a great job this year in both parades and half-time shows. With a few solo spots of their own, they really got the applause and added a great deal to the shows this year.

Jazz Ensemble

Savanna has been known state-wide for their fantastic stageband. They played for dances and other social events, and attended numerous jazz festivals. This year a tradition was broken with the group. It had been an all male band in the past, but this year a girl was added to the group. The Jazz Ensemble had built a reputation of excellence throughout the years and they just kept on getting better. Number one in the district, they were one of Savanna's prize possessions this year.

Concert Band: Sounds of '75

After the marching season was over, band members tried out for Concert Bands. For the first time this year the group was split into two smaller wind ensembles. Concert Bands showed their talent by performing in many concerts and festivals. Under the direction of Mr. Gunderson and Mitch Fennel, the groups had a truly outstanding season.

GAA Has the Winning Spirit

This year G.A.A. offered an all new program of activities which included some new sports to meet the girls' desires. These included bowling, track, flag football, scuba and swimming. G.A.A. also offered volleyball, field hockey, tennis, archery, softball and badminton. Throughout the year, the Varsity and J.V. teams competed against nine schools for each sport and also represented Savannah at the district tournaments, although only a limited number of girls could compete on the Varsity and J.V. teams. All girls in G.A.A. were placed on teams and competed against other schools with teams similar in ability and skill.

Sue Lalicker

Girl of the Year

G.A.A. Girl of the Year, Sue Lalicker, typifies the best in Rebel feminine sports. As a three year member, Sue did an outstanding job of representing G.A.A.

During her junior year, Sue won awards as outstanding archer and outstanding doubles badminton player, an honor she shared with Vanessa Rebai.

As a senior, Sue won awards as outstanding volleyball player and outstanding senior on the track team. She won All-District High Point Honors for scoring the most individual points in the District Track Meet. Sue lead all individual scoring-first in 80 yard hurdles and the long jump, second in the 220 yard dash and fourth in the high jump.

In addition to her extraordinary achievements in G.A.A., Sue has been a member of C.S.F. for three years, enabling her to become a Gold Seal Bearer, and a member of N.H.S. for two years.

The G.A.A. and The Savannan extend best wishes to Sue for continued success in all future endeavors.

SPORTS

Rebels Open Season Losing

Santiago, the season opener, provided Rebel fans the excitement of a 73 yard scoring pass play from quarterback Don DePue to Gilbert Gonzales. The Cavaliers capitalized on a first quarter field goal and safety, a touchdown in the second, and put the game on ice with two touchdowns in the last quarter.

League Opener Sees Savanna Down Again

The Rebels traveled to Western for the second game of the season. Touchdown passes by Bruce Franz to Gilbert Gonzales in the first quarter and Paul Greiner in the last quarter put Savanna's 12 points on the scoreboard. Unfortunately, this wasn't enough to contain the Pioneers as they rolled up 31 points.

Meeting one of the strongest teams in the freeway league for their first league tilt, the Rebels were downed by Santa Ana Valley 35-0. Although facing an offense which amassed 454 yards for the game, Savanna's Dave Davis and Steve Delph gained the Rebs 63 yards in 14 carries.

Great Efforts by Rebels Despite Scores

The Rebel team out hit and controlled the action during the Buena Park game. Savanna put in a pretty good night offensively, outgaining the Coyotes, 330 yards to 259. Delph was the game's leading rusher with 68 yards. Even with Franz's touch-down, unfortunately, for the Rebs, the Coyote aerial show happened once too often and the team lost 14-6.

With a great effort, the Rebs held the Lancers in the first half to one touchdown, but the overpowering Lancers scored big in the third and fourth quarters. This left the Rebs even farther down on the league standings.

Fighting Rebs

Lose Battles

Even with the team standings at a low point, the Rebs still had some fine plays. In the first quarter of the Troy game, Bruce Franz threw a touchdown pass to Gilbert Gonzales for a score of six points. Carlos Echeverry made the extra point giving the Rebels seven points.

In the Fullerton game, Steve Delph made a 60 yard touchdown run which set us up with six points, and a pass to the right side to Charles Roberts gave us eight points. That score didn't help us much, as the Indians came back with three touchdowns to win.

Rebels Triumph Over La Habra

In what was to be the only Rebel win of the '74 football season they travelled to La Habra to hit head-on with the Highlanders. Both teams wanted the win badly and defensive efforts by the Rebels were quite indicative of that. The defense unit led by Kevin McCready, Kim Clover, Rich Greiner and Bruce Hart did a fine job all night bottling up Highlander attacks. Offensively it was the passing of both Bruce Franz and Kevin McCready with clutch receptions by receiver Gil Gonzales and Rich Greiner that was the difference. The Rebels came out strong with a touchdown by Gonzales to blow La Habra out of their stadium, followed by Carlos Echeverry kicking a point which put Savanna on top 7-0. With disciplined playing the Rebels came from behind for a 15-14 win.

In the season finals Savanna met the Lowell Patriots but in spite of great team efforts Lowell won 34-6.

J.V.s Open With Victory

Although somewhat inexperienced due to many new additions this year the J.V.s opened their season with a victory over Santiago. Their inexperience however hampered continuing Rebel efforts to bring victory to themselves throughout the rest of the season in spite of great efforts.

Victory may not have been part of this year's story but they did both learn and benefit greatly from past errors and gained much needed experience. Experience which should mold them into a strong well disciplined 1975 Rebel Varsity which could in turn provide Savannah with a winning Varsity football team for many successive years.

Rebel Efforts End in a Tie During JV Season

With Fullerton as their next opponent, Coach Muench's J.V.'s prepared for a tough battle. Savanna played well but two scoring drives by the Indians left Savanna behind by 14. The Rebel team, however scored twice to tie the game. Neither team was able to score again in the remaining minutes of the game. The J.V.'s returned home knowing they had put forth a great team effort. Outstanding players were Don Depue, Jeff Treat, Mark Grant, Allan Hlavnicka, Dan Cassella and Andy Paikoff.

Soph's Become Disciplined

With much hard work and dedication, this year's Sophomore football team built themselves into a group of disciplined players. Under the coaching of Ed VanLierup and Jon Horowitz the Soph's won pre-League games over Western and Santiago, but were unable to pull through victories in the remaining games due to many injuries. Outstanding players for the season were Tony Aguayo, Greg Gonzales, Dave Norman, Tim Aguayo, Bob Jacoby and Mike Martelli.

Varsity Rebs in Tourney Action

After having gotten off to a poor start by being eliminated early from the Cerritos Tournament, Savanna had its first season victory with a 57-55 win over Fountain Valley. The Rebs, however, were then eliminated from the Anaheim Tournament by Estancia. Marina defeated the varsity in the Orange Tourney, the Rebels came back with pride and effort to defeat Neff 71-53, thus remaining in action. Holiday play ended with a razor thin loss to Costa Mesa 64-63.

Savanna Raided by Tribe in Opener

Rebel luck didn't change with the coming of the new year and the commencement of league action. In the opener they met Fullerton and although the Rebels worked hard, they were out maneuvered in the first half. During the remainder of the game the Rebs attempted to rally. The Indians caught on, however, and proved to be too much as they proceeded to win 74 - 61.

Feeling a great need for victory, the Reb Varsity traveled to La Habra to play a tough squad. The game appeared to be quite close throughout the first half and into the third quarter. The Highlanders then pulled away and in spite of our all out efforts, they racked up points until the game ended with our defeat at 91 - 65.

Vicious Rebels Beat Buena Park

Two hard losses for the Rebels didn't dampen the team's optimism. In the beginning of their game with Buena Park both teams started off well. The Coyotes, however, built up a large lead in the middle of the first quarter. Our Rebel varsity rallied to tie the score. The lead changed between the two teams several times, the fourth quarter ended in a 60-60 tie. Scoring in the most critical of situations gave Savanna it's first league win, 68-63. With spirits high, Savanna met Sunny Hills. Both team played equally well throughout the first half, the Lancers pulled away in the third quarter. Rebel efforts cut the lead down and sent the game into overtime with a basket in the last three seconds. Luck was with the Lancers that night as they won 73-70.

Dixie Rises Again, Patriots are Defeated

Having let Sunny Hills slip away the Rebs were determined to get back on the winning track against Lowell. In the first few minutes of the quarter the score was quite close, Lowell, however, pulled away and held a good lead throughout the first half. After a rest at the half, Savanna came out ready to prove themselves. They did so by out scoring Lowell throughout the third quarter and most of the fourth. The Patriots caught up and gained a slight edge as the fourth quarter was ending. In the last couple minutes we scored again to tie the game. The Patriots came back with a couple of baskets. Two last minute attempts at the free-throw line and two field goals gave our Rebels their second league victory 67-65.

Rebs Defeated by Tough Opponents

After a stunning victory over Lowell, Savanna returned home to take on the Warriors of Troy. The Rebels gave them a better fight than expected, almost sending the game into overtime. Troy pulled it out, however, and Savanna had to swallow a bitter loss, 65-62. Expecting better results, the team traveled to Santa Ana Valley determined to win. It was a hard fought battle, with the lead changing hands several times. Even with a 30 point effort by Brad Sarvak, Savanna finally lost by an 86-73 margin.

JVs Rallied by Reb Efforts

J.V. basketball action started slow by losing to a powerful Fullerton squad, 69-42. Fullerton's highly touted Indians dominated the scoreboard throughout the game giving the Rebel defense a night to remember. Traveling to La Habra for their second tilt, the Reb Juniors' used an aggressive fast break, but were overcome by the Highlanders, 70-57.

JVs Keep Trying

Despite their efforts, the JVs lost a close game to Buena Park. In the first half of the game against the Coyotes Savanna out-played them and kept the lead, however, breakdowns in the fourth quarter spelled defeat. Brett Heidner and Dave Daniels were the leading scorers for the team.

Sophomores Have Busy '75 Season

Despite having only 11 players on their team, the sophomores had a pretty good season. The team lost their opener to Fullerton, and then they squeezed past La Habra. Next, they were defeated by Buena Park. Wayne Bonnema did very good this year and was the high man for the team. Don Pace and Greg Marchant were other good shooters.

JVs and Sophs

Off to a Good Start

The brightest aspects, in an otherwise dismal 74-75 season, for the Rebel wrestlers were the successful performances provided by the JV and Soph teams. The Sophomore team had the only winning team record (5-3). The JV team, due to forfeits, was unable to win most of it's matches if only man to man scores were counted. Rebels Outplay Edgewood, 7-3

Savanna's first victory of the season came when the Rebels outplayed Edgewood High, winning the game 7-3. The winning run came in top of the seventh when Marty Castillo hit a double with Gil Ramirez on base. The Trojans threatened throughout the game but a Rebel win seemed certain. Team members contributing to the victory by scoring runs were G.Hoffman, M.Castillo, G.Aranda, R.Rice, R.Martin and P. Stoeffler, who hit a home run.

Savanna Downed By Lakewood in Tenth Inning

After having started the season off so well, the Rebs awaited their game with Lakewood. Our team needed no encouragement in deciding they could score their second win over the Lancers. However, the game started off poorly with Lakewood scoring in the first inning. Numerous Rebel attempts failed to catch the Lancers. In the bottom of the seventh, the Rebs came alive with a base hit by Marty Castillo and a double by Glenn Hoffman to tie the score. Both teams held their ground for the next two and one-half innings. In the top of the tenth, Lakewood loaded the bases and on two Rebel errors scored twice to win 3-1.

Anaheim Tourney

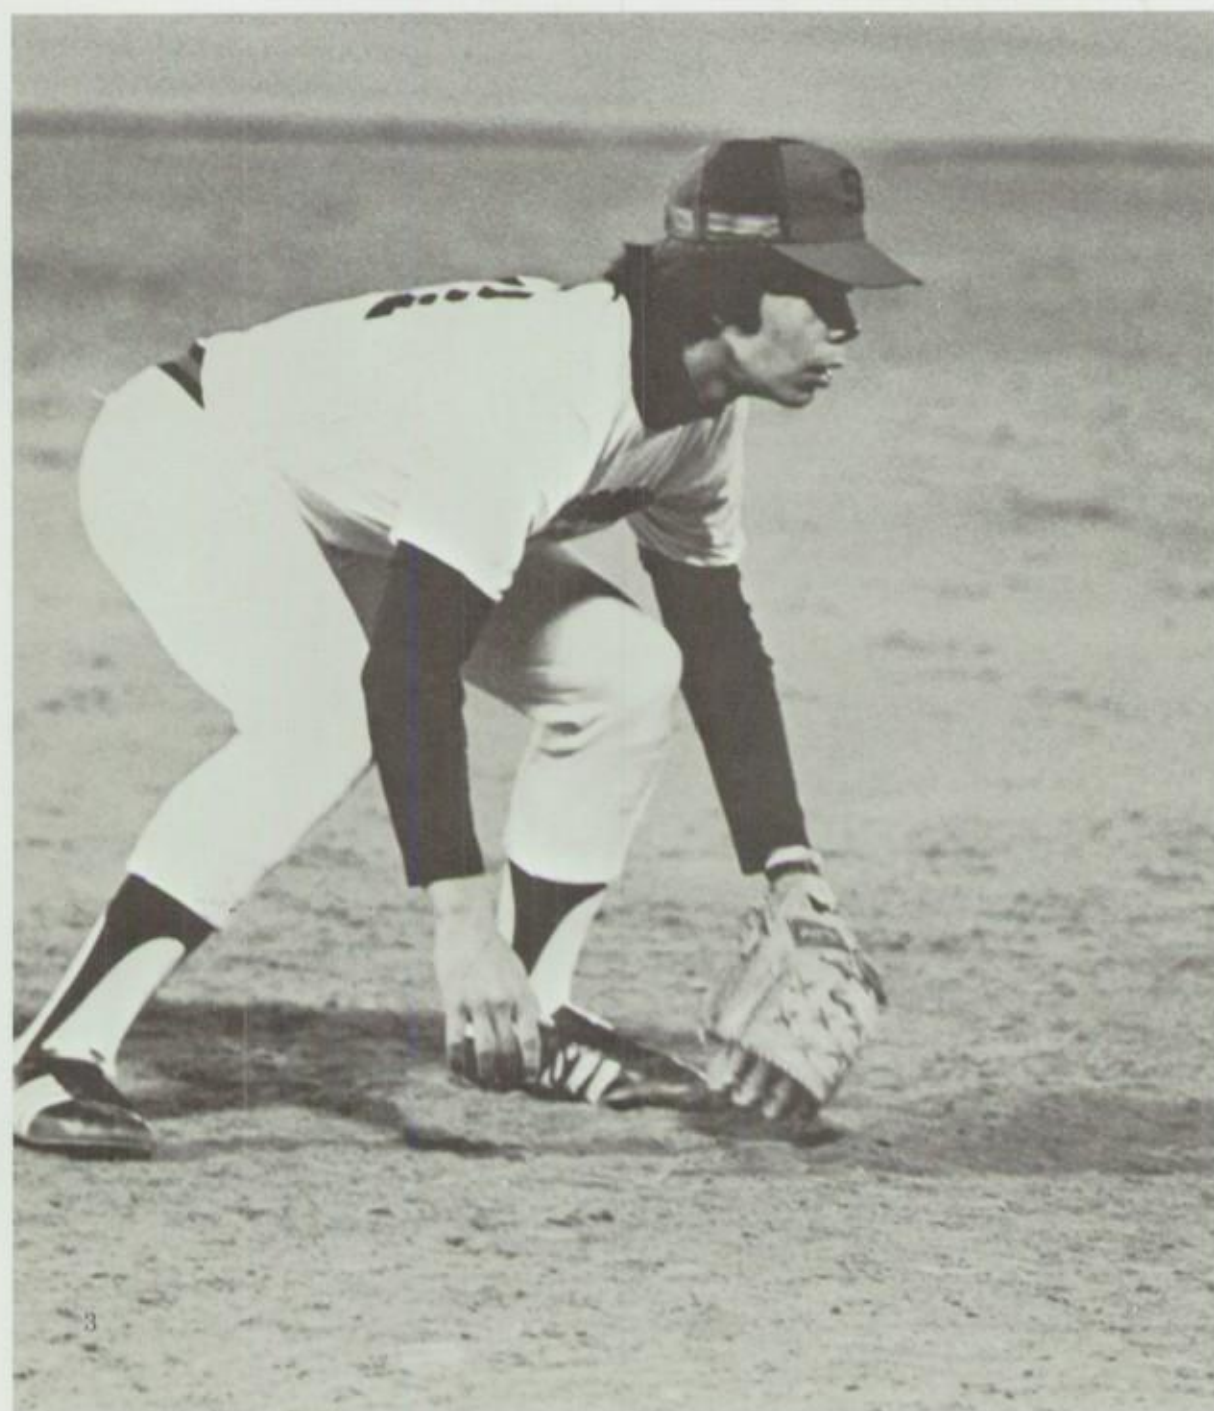

Gives Savanna

A Tough Test

Savanna's 1975 diamond plans centered around fine pitching and defense. Having won or shared the Freeway League title the past three years, the Rebels looked for a fine year. With all CIF Brian Hayes, 13-6, 1.08 ERA, best in the county in '74, and Brad Sarvak 2-4, 1.8 ERA returning, the Rebel pitching was good. Transfer Mark Grant and JV pitcher Gary McCormack helped boost the Rebel pitching corps. The staff showed off at the Anaheim Baseball Tournament, as they won two out of three.

Mighty Rebels

Split a Pair

Defensively, all county third baseman Marty Castillo and all league shortstop Glen Hoffman anchored a strong infield that made only 11 errors last year. Robin Rice and Mike Trump rounded out the rest of the infield. Gil Ramirez won the starting catcher's spot and was a good one. In the outfield only Glen Aranda and Jeff Tenney were returning letter men. Edgar Balderas, Randy Martin, Dennis Fisher and Pete Stoeffler battled for starting roles. The defense started slowly, but performed well against Chino and North Torrance.

Varsity Faces Strong Freeway League Slate

Behind the superb pitching of Brian Hayes, Savanna's Varsity Baseball Team were making a strong bid for again capturing the Freeway League title. Facing a strong, well-balanced Freeway League slate in the '75 season, the Rebel Team had strength with a virtually all senior roster, and with Gary McCormack, Randy Martin, and Glen Hoffman as the main juniors playing Varsity. Rebel victory came mostly through strong defensive play. Coach Berson was very optimistic during pre-season games.

JVs Show Strength and Determination

This year's Junior Varsity baseball squad had a promising season start. They opened their league play by defeating Santa Ana Valley, 8-2. They had many other fine games this season. Regardless of setbacks, our JV squad played hard in accordance with the true spirit of baseball. Thanks to the building program devised by Coach Herrick, each member of the JV team proved to be a good prospect for next year's Varsity squad.

Reb Stars Show Promise

The J.V.'s were off to a slow start this year. Although losing a tough game to Mission Viejo 4-3, they later came back to defeat Western 5-4.

Sophs Show

School Spirit

The sophomores kept up the Rebel spirit this year. With a new coach and a new team they will have to work very hard.

Rebels Offer Foes Fierce Competition

Savanna's Varsity Track Team has always performed well, and this year was no exception. Loaded with outstanding members such as Nate Brooks, Steve Rivera, and Thom Goldstein, the team took many first place wins throughout the season. Gil Gonzales and John Russo added field event strength to the team after the basketball season was over.

Rebs Continue Looking Tough

The Running Rebels have set many outstanding marks during their '75 season. Among these marks were the ones set by Thom Goldstein in the 440 and Kevin McCready and Zim Walker in the hurdles. The relay and sprint teams were staffed by Nate Brooks, Gil Gonzales, Keith Flisik, Thom Goldstein, Steve Rivera and Dave Weber. They proved to be the backbone of the team. Wayne Woodard, Mark McKinzie, Jim Maese, Nat Miller and Dave Piper served as the Rebel distance strength throughout the season. Alternating races and doubling up in the mid-distance and distance events helped Rebel runners to gain strength as the season progressed.

Field Events Showed Skill And Talent

Field events did well throughout the season with Keith Flisik, Neil Burns and Jim Begay in the pole vault and Sheldon Anderson in the high jump. Mike Davis, Dan Hunter and Bruce Hart proved to have great skill in thrusting the shot. These tracksters showed skill, talent and dexterity.

Captions: 1. Dan Hunter psyches up for the shot put 2. Pole vaulter Keith Flisik easily clears the bar 3. Sheldon Anderson jumps high to cross over the bar 4. Mike Davis explodes in the shot put

JV's Prove Competitive

The JV team showed strength and depth in both running and field events. Runners in the mid-distance and distance were Bob Locy and Tim Hoy and Jeff Hoff in the sprints. Field events had Neil Burns and Jim Begay in the pole vault. Neil Burns also competed in the 440.

Sophs Lacked Manpower

Lack of manpower was the chief opponent facing the Rebel Sophomore Track Team. A squad of less than a dozen was not enough to cover all the events in depth. Zim Walker, also a member of the Varsity squad, ran the hurdles and mid-distance, while Rory Rea brought strength to the mid-distance and distance.

Off to Slow Start Rebels Strive Harder

Although not victorious in pre-season games Rebels had time to improve their skills before league games started. Returning lettermen were Dave Dvorman and Andre Brisson who was ranked sixth out of thirty-two in the district last year. Coach Hansen has coached at Savanna for six seasons; each year the teams have improved more and more. Last year Savannas' varsity team placed second in the district. This was the highest placing ever for Rebel tennis.

The Savanna Golf Team, under the direction of Mr. Cross, participated in the Orange League with the following schools: Canyon, Esparanza, Brea, El Dorado, and Valencia. The Varsity played an 18 match schedule and the J.V.'s a 12 match schedule. Steve Deckert, Gordon Savala, and Frank Randazzo added much strength to the team.

The 1975 season proved to be a building year as the squad was composed mainly of sophomores.

Rifle Team

Takes Aim

The Rifle Team, coached by Colonel Weir, competed with other schools including CIF competition. They held a second place title in State of California. Each team member put in many hours of practice. Jeff Holms, Rick Fluccas and Jeff Reese proved to be the backbone of the team. State competition was held in San Luis Obispo and the Rebel Rifle Team was very successful.
